Overconsumption is the mother of all environmental problems. For the first time in the history of capitalism, consumption itself has become controversial.

~Kalle Lasn

I believe that one of the most powerful things of all is aesthetics.

~Kalle Lasn

The most powerful narcotic in the world is the promise of belonging.

~Kalle Lasn

The commercial media are to the mental environment what factories are to the physical environment

~Kalle Lasn

It's a measure of the depth of our consumer trance that the death of the planet is not sufficient to break it.

~Kalle Lasn

In the global marketplace of the future the price of every product will tell the ecological truth.

~Kalle Lasn

In the Soviet Union you weren't allowed to speak out against the government. In the US you cannot speak out against sponsors.

~Kalle Lasn

I want to live in a world where human beings, not corporate entities, create the future.

~Kalle Lasn

The global economy is a doomsday machine that must be stopped and reprogrammed.

~Kalle Lasn

Corporations are not legal "persons" with constitutional rights and freedoms of their own, but legal fictions that we created and must therefore control.

~Kalle Lasn

Jamming a coin into a monopoly newspaper box or liberating a billboard in the middle of the night can be a rather honest and joyful thing to do.
