When I look at my family, that's all life means, right there.

~Kam Williams

Moriarty is arguably the most famous super-villain in terms of literature.

~Kam Williams

Definitely do the work. Don't expect to blow up overnight. Go out, do the work, and enjoy the ride. That's really my mantra. I'm not in a hurry to be anywhere fast. I'm just enjoying the ride.

~Kam Williams

I enjoyed every minute of directing my first film. Hopefully, I will be doing it many, many more times in the future.

~Kam Williams

If all the actors are in the recording session at the same time, you can record all voices for one episode in an hour. Of course, the animation takes longer but the voice acting is done very quickly.

~Kam Williams

I'm very happy. I'm doing what I love.

~Kam Williams

I want to have schools and libraries and other institutions named after me. I tell my daughter that all the time.

~Kam Williams

I most certainly think we are influencing the way women think about themselves.

~Kam Williams

95% of being a success is just showing up on time and being there. I don't know how I knew that when I was younger. You have to stick around for people to remember you.

~Kam Williams

I decided to take a leap of faith and go into business for myself. I'm scared to death!

~Kam Williams

Ever since I was a child, I've always been fascinated with Sherlock Holmes.
