I read that when cats are cuddling and kneading you, and you think it's cute, they're really just checking your vitals for weak spots.

~Kandyse McClure

Take a leap of faith. You will either land somewhere new or learn to fly.

~Kandyse McClure

Singing in front of people. It's like having your heart beat outside of you.

~Kandyse McClure

I'm always preparing for a regular life.

~Kandyse McClure

Playing the ukulele and singing is a fantastic stress reliever. So is cleaning! Scrubbing away at the dirt helps clear my mind as well.

~Kandyse McClure

Celebrate yourself. Follow your passions and eccentricities, because they are yours alone. You are unique! If everyone did that, I'm pretty sure there would be world peace.

~Kandyse McClure

However you learn and whatever your circumstances, an education that prepares you for the world is every child's right.

~Kandyse McClure

Anything is possible - even the most far-fetched idea can come to being through a series of seemingly small decisions and actions.

~Kandyse McClure

I could never have dreamed the life I lead. Given where I started, it's remarkable to me the constant adventure that my life has become.

~Kandyse McClure

I find that if I've taken care of myself first, I can then be there fully for everyone else.

~Kandyse McClure

The quiet of the morning offers a perfect time to do a meditation and yoga practice. It also allows time to be creative or to contemplate before the business of the day.

~Kandyse McClure

My mom is my best friend and always offers me great perspective and reminds me to be compassionate to myself in moments when I feel low.

~Kandyse McClure

Id love a werebear. But I guess you need that seductive element of danger. And though bears can be dangerous, when you say werebear it just sounds kind of cuddly. Probably has a rainbow on his belly.
