Gypsy [Rose Lee] is as unique as she is timeless. Her story is classic Americana, and the strangest rags-to-riches saga you'll ever read; I like to call it Horatio Alger meets Tim Burton.

~Karen Abbott

There is nudity, of course striptease is an essential component of burlesque but it's much more complex and intelligent than a display of nudity for nudity itself. And its often laugh-out-loud funny. ~Karen Abbott

Gypsy [Rose Lee ] was a masterful storyteller, and her memoir and by extension, the musical weren't only Gypsy's monument; they were also her chance for monumental revisionism.

~Karen Abbott

An amusing city, Chicago, any way you look at it. I'm afraid we are in for the time of our lives.

~Karen Abbott

Female spies typically represented one of two extremes: the seductress who employed her wiles to manipulate men, and the cross-dresser who blended in by impersonating them.

~Karen Abbott

I came upon a telegram from Eleanor Roosevelt herself to Gypsy Rose Lee that read, 'May your bare ass always be shining'. That was the clincher; I had to write about this woman.

~Karen Abbott

I think Gypsy [Rose Lee] would be appalled at today's rawer, more blatant displays of the female form. She was, in her own way, a prude.

~Karen Abbott

Gypsy [Rose Lee] wasn't a linear person, and she didn't live life in a linear fashion. She was relentlessly self-inventing, and moved backward as often as she moved forward.

~Karen Abbott

A half-century before Madonna, Gypsy [Rose Lee] understood how to make performance out of desire, how to exploit the very human and eternal instinct to always want most what we'll never have. ~Karen Abbott

She [Gypsy Rose Lee] was a sophisticated self-satirist with a contagious delight in the comedy of sex. She was coy; she was sly; she always had a witty quip; she had an intensely dramatic presence. ~Karen Abbott

In Gypsy [Rose Lee] the musical, her mother, 'Mama Rose', is portrayed as a slightly eccentric, pushy, ambitious stage mother, but that version doesn't come close to the truth.

~Karen Abbott

The real Rose Hovick was seriously mentally disturbed; June Havoc called her a beautiful little ornament that was damaged. ~Karen Abbott

I greatly admired Gypsy [Rose Lee] for being able to rise above her circumstances; I was terrified of her; I thought she was generous; I thought she was brilliant; I thought she was cruel.
