Floating in a lake, lying in a hammock, playing a bit of Scrabble...that's what I'm in need of.

~Karen Walker

God didn't give me the ability to play the piano, or paint a picture or have compassion. But... he did give me the ability to crack a walnut with my hoo-ha.

~Karen Walker

OK, Rule number 1: Unless you're served in a frosted glass, never come within 4 feet of my lips.

~Karen Walker

I always think that fashion isn't just about clothes; it can be applied to anything.

~Karen Walker

It's time to get your head out of the dumps and your legs in the air!

~Karen Walker

Well there are a lot of things I like to eat but at this time of year I'm finding I'm making fig and chÃvre salad at least once a week and that's a combo that's hard to beat.

~Karen Walker

We are so excited for what's next. I think that's what I love most about it, the energy and the excitement that comes from that.

~Karen Walker

Always half an hour a day where it's just me and my yoga mat.

~Karen Walker

I always like the current one [collection] the most, that's just my nature!

~Karen Walker

Body-con dresses have never been something I've been into.

~Karen Walker

I don't know if I'm all that famous. When I first started my idea of what a career in fashion would look like is very different to the reality now.

~Karen Walker

The first item I designed for a real person was when I was about 10 and I made my first item of clothing for myself.

~Karen Walker

If you want people to like you you have to buy them things.

~Karen Walker

You never really know if it's going to happen or not do you but the vision was always for [Karen Walker] to be a global niche luxury product.

~Karen Walker

The overall concept comes first and then that informs the product, the shoot and how we communicate it. Everything comes back to the concept. It all gets thought about at the same time.

~Karen Walker

The ideas can come from anywhere; the energy just comes from loving what I do.

~Karen Walker

Always take one last look in a full-length mirror before leaving the house.

~Karen Walker

I prioritise my time so what needs to be done, gets done.

~Karen Walker

The first design I created was a circular skirt for my Barbie when I was 7.

~Karen Walker

You know, an iPhone is fashion everything is fashion.

~Karen Walker

What I like about eyewear is that it can work with a lot of different looks. You can wear it with a Balenciaga dress, or something that is straight and very quirky.

~Karen Walker

I'm just in the business of creating; creating new work inspires you to create new work. It's kind of funny.

~Karen Walker

In this [fashion] business you're living in the future a lot of the time.

~Karen Walker

I only feel the pressure when we are coming up against a deadline and it's like, actually no we really have to nail this in a week!

~Karen Walker

There are a lot of things about my career now that are as I imagined, hoped for and worked towards.

~Karen Walker

I have my name down for the Apple Watch and yoga. I know it's a cliché but I need that antidote, it helps with everything.

~Karen Walker

Virtually the second I get home, I change into my "home" clothes - yoga pants and a T-shirt.
