Needs, Fantasy*

When you work so hard on making a film, it's all worthwhile when you get to experience seeing that film with an audience who thoroughly enjoy it and react to the movie.

~Karl Urban

Nothing beats a great smile.

~Karl Urban

When I work, I try to eat as much vegetarian as possible. When I do Cupid, I eat vegetarian because I need the energy. I've got those wings on my back.

~Karl Urban

I don't see a benefit in accepting every single little morsel of work that comes along because I think in essence what you're doing is you're raping yourself really.

~Karl Urban

That's always an interesting concept when you try to make your dream into a reality and you come up against the facts of exactly what it is you're attempting to do.

~Karl Urban

My philosophy is whatever you do, you've got to invest in yourself. If you don't, there are a lot of people out there who will get the job because they're more prepared than you.

~Karl Urban

I'll need every ounce that I have to drive it through. Film and TV require that energy. Sometimes fight scenes can be pretty intense. When I was shooting "Heaven" it was truly guerrilla film-making.

~Karl Urban

I would think, as an actor, it's just much more fun to be the bad guy.

~Karl Urban

I was a fan of the 'Dredd' comics when I was a teenager.

~Karl Urban

If I read a script and find it engaging and I start making choices in my mind on how to approach the work, than that's a good indication that it is something worth pursuing.

~Karl Urban

I love fishing and surfing, and I work out every day.

~Karl Urban

Russell Means is quite a legend in the Indian community for what he's been able to achieve. It was a real honor to work with a guy who's been on the front lines of fighting for what he believes in.

~Karl Urban

A lot of the ancient Norse myths and legends are the basis of a lot of the sci-fi, fantasy films out there. Telling these stories in a contemporary medium, it's all good.

~Karl Urban

I've got a New Zealand film coming out here called Out of the Blue. It's a very heavy story, and it's the first time I've played a character who is alive.

~Karl Urban

I don't believe I could work as effectively at what I do without the support of my wife.

~Karl Urban

When you pick up a script and you can't stop reading it because it's a real page-turner, that's a good sign.

~Karl Urban

One of the crazy things about our job is that we get taught these insane skills that we could never use in real life.

~Karl Urban

There's only so much artistic output that I can actually expel at any one given time.

~Karl Urban

I've always wanted to do a Western.

~Karl Urban

If I can find something that I haven't done before, then that is an immediate...it peaks my interest.

~Karl Urban

Sometimes it's nice to know that what you've done has been appreciated.

~Karl Urban

I like the timeframe involved in being an actor.

~Karl Urban

Yeah, I played video games on and off for quite a few years. I played Doom and was a fan of the game and that was my prime reason for doing the film.

~Karl Urban
