Pain in all its forms is also a message, a kind of distress signal to our hearts and minds. There are times when it's really important to tune into that message and just listen to it.

~Karyn Kusama

I want people to leave the theater wrestling with the idea that our pain - physical, emotional, and spiritual pain - is more than just a condition that needs to be silenced, numbed, or "fixed."

~Karyn Kusama

There's just so much lazy violence directed at women. But beyond that, lazy violence directed at humans generally. Just lazy violence.

~Karyn Kusama

I am honored and lucky to be one of the first films funded by Gamechanger Films, a consortium of investors who finance movies directed by women.
