You and I could paint the sky together. As the world goes by, we'll go on forever.

~Kaskade

Don't be fooled by your emptiness, there's so much more room for happiness.

~Kaskade

Copyright law is a dinosaur, ill-suited for the landscape of today's media.

~Kaskade

Listening to music is such an uplifting, spiritual thing. Its far-fetched to some - I understand that. But the way dance music brings people together, its not a big stretch from hymns.

~Kaskade

I think rap music has made more money on dance music than dance music has made on dance music. Just a thought.

~Kaskade

Dance music will always be around. People around the world love to dance.

~Kaskade

A lot of people see electronic music as a flavor of the week, but it can be more than that - has to be more than that.

~Kaskade

I don't need the factory behind me. I just need help getting my music heard.

~Kaskade

It's impossible to recreate music from the past. Music always states the

truth.

~Kaskade

You don't have to move on to let go.

~Kaskade

I remember last time I played Nocturnal Wonderland I dropped that 'Move 4 First Aid' mashup and people ripping their hair out... crazy night.

~Kaskade

Music is not disposable, people. We can twist it, sample it, mash it and experience it in endless ways. Open up.

~Kaskade

The producers and writers of dance music are becoming the stars, not so much the DJs.
