â€ˆGender is not sane. It's not sane to call a rainbow black and white.

~Kate Bornstein

The choice between two of something is not a choice at all, but rather the opportunity to subscribe to the value system which holds the two presented choices as mutually exclusive alternatives.

~Kate Bornstein

There's no such thing as hurting someone for their own good. There's only hurting someone for your own good.

~Kate Bornstein

Your life's work begins when your great joy meets the world's great hunger.

~Kate Bornstein

What is a man? What is a woman? And why do we have to be one or the other?

~Kate Bornstein

It's easy to fictionalize an issue when you're not aware of the many ways in which you are privileged by it.

~Kate Bornstein

â€ˆ'Is it a boy or a girl?' There is a great answer to that one going around: â€ˆ'We don't know; it hasn't told us yet'.

~Kate Bornstein

Disney will never make a movie about my life story, and that's a shame--I'd make a really cute animated creature.

~Kate Bornstein

When you're a Scientologist it's like the movie Goodfellas, where the gangsters hang out with only other gangsters. We only hung out with

each other, so we knew we were saving the world.

~Kate Bornstein

I was obsessed, and like most obsessed people, I was the last one to know it.

~Kate Bornstein

Drag queen is a gender like no other, and with practice I'd learned to rise to it.

~Kate Bornstein

There are Easter eggs in every book I've ever written. I think in the first one I called Scientology "Diabology," but I was scared, so I didn't tell many people what it really meant.

~Kate Bornstein

I love the idea of being without an identity, it gives me a lot of room to play around; but it makes me dizzy, having nowhere to hang my hat.

~Kate Bornstein

The current transgender movement is composed of a great number of factions, divided by those old favorites of class, race, age, language, region, and nationality.

~Kate Bornstein

Sex is f-king, everything else is gender.

~Kate Bornstein

I know and know of more than a few MTF's (male-to-female trannies) who've developed strange cancers. Myself, I've got a nice little case of Chronic Lymphocytic Leukemia (CLL).
