A handbag is only one item to be worn with a complete outfit. Add a peony pink leather handbag to a charcoal gray suit, for instance, and the impact is chic with a touch of wit.

~Kate Spade

In order to lead a fascinating life, one brimming with art, music, intrigue, and romance, you must surround yourself with precisely those things.

~Kate Spade

Live in such a way, that if someone speaks badly of you no one would believe it. Playing dress-up begins at age five and never truly ends.

~Kate Spade

Think, Travel, Celebrate, Charm, Decorate, Dress, Live - colorfully

~Kate Spade

As far as I'm concerned playing 'Dress Up' begins at the age of five, and never truly ends.

~Kate Spade

If you're honest and fair as you can be, not only in business but in life, things will work out.

~Kate Spade

I adore pretty things & witty words.

~Kate Spade

I started designing my handbags in my apartment and I had six samples made in satin-finished nylon. I displayed them at trade shows but they went unnoticed at first.

~Kate Spade

Playing dress up begins at age 5 and never really ends.

~Kate Spade

I believe that accessories should bring color and texture to an every day wardrobe based on each individual's sense of style.

~Kate Spade

I'm one of six children. I'd love to sound educated and say I dive into a good book when I'm there, but in truth, I spend time with the kids playing cards, ping-pong, and board games.

~Kate Spade

In the same way that men wear ties to add personality to their clothing, so too should women wear their accessories.

~Kate Spade

Popeyes and Taco Bell. I try to be healthy, but they're just so good.

~Kate Spade

Cynicism is intellectual dandyism, but graciousness in speech is an aphrodisiac. (Andy Spade)

~Kate Spade

People have this impression that I'm a little kooky, but I'm actually very OCD.

~Kate Spade

I'm a big list maker. But if I cross off too many tasks and it's hard to see the remaining ones, I have to start a new list.

~Kate Spade

I started getting orders from some of the leading stores Fred Segal, Bergdorf Goodman. I realized then that my bags were being noticed by the fashion world.

~Kate Spade

I love lamps. I can't stand overhead lighting. I have to have everything

on a dimmer.

~Kate Spade

I love order and organization.

~Kate Spade

I collect books, a lot of books.
