People need to see where their dollars are going and what infrastructure is being built.

~Kathleen Wynne

In the same way we have a long-term plan for building roads, we have to have a long term plan to build transit.

~Kathleen Wynne

There is a temptation in politics to look for simplistic slogans and to play the game in a way that looks like you're a savvy politician.

~Kathleen Wynne

My plan is to govern as long as I can.

~Kathleen Wynne

I think there's not much patience for organized labour, period, public or private sector.

~Kathleen Wynne

I've been driving since I was 19 years old.

~Kathleen Wynne

I came to politics later in life so I bring a different life experience to it.
