

# Kathryn Lasky

## Quotes

*Thinking, Heart, Moon, Dream, Twilight, Owl, Flower, Forever, Bird, Blood,  
Reading, Wells, Years, Knows, Fire, Believe, Happens, Animal, Dawn, Beautiful*

I am ashamed of anyone who has eyes and still can't see.

~Kathryn Lasky

Flutter like a hummingbird, Dive like an eagle, Ain't no bird that's my equal. - Twilight

~Kathryn Lasky

A legend, Kludd, is a story that you begin to feel in your gizzard and then over time it becomes true in your heart. And perhaps makes you become a better owl.

~Kathryn Lasky

Whether you are a twelve-year-old princess or a twelve-year-old regular kid, you need to know you are loved and respected.

~Kathryn Lasky

Legends were not only for the desperate. Legends were for the brave. (Soren)

~Kathryn Lasky

Cycling, cycling forever bear, wolf, caribou. When had it all started, where will it end? We are all part of one, from such simple beginnings and yet all so different. Yet one. One and again.

~Kathryn Lasky

To find one's special quality One must lead a life of deep humility. To serve in this way Never question but obey Is the blessing of St Aggie's charity. - The owls of St. Aegolius

~Kathryn Lasky

A spark can become a flame, a flame a fire.

~Kathryn Lasky

One creature's truth is another's lie. (Scroom of Strix Struma)

~Kathryn Lasky

What are emotions exactly?' Lutta asked. 'Silly feelings that get in the way of actions.

~Kathryn Lasky

I think the Lewis and Clark Expedition was the greatest undertaking in American History. I think landing a man on the moon pales next to it.

~Kathryn Lasky

Far away if first black, But it shall be back Over field Over flower In the twilight hour. We are home in our tree. We are owls, we are free. As we go, this we know Glaux is nigh.

~Kathryn Lasky

Dreams weigh nothing. - Marie Antoinette

~Kathryn Lasky

Otulissa swelled up to twice her normal size. 'Well, SPRINK ON YOUR SPRONK!

~Kathryn Lasky

Glad to eat ya', I mean meet ya'" - Digger

~Kathryn Lasky

Thinking - in particular abstract thinking, which most of us are introduced to through the study of mathematics and literature - helps us learn that we can become problem solvers.

~Kathryn Lasky

To me, the most important thing is to tell a good story. If I can do that, I think that enlightenment, respect of nature, etc. follows.

~Kathryn Lasky

Our lives are just spectacles. We are like dolls, in a sense, to be observed and played with - often with cruel and deceitful intentions - in an unreal world.

~Kathryn Lasky

I believe that reading widely is the best preparation for writing.

~Kathryn Lasky

He didn't know what he wanted. He only knew what he didn't want.

~Kathryn Lasky

Blood hardly defines one's character. We are made by our actions, not our blood. - Soren

~Kathryn Lasky

Words, as you well know, can be powerful. - Digger

~Kathryn Lasky

The tail of the comet slashed the dawn and in the red light of the rising sun, for a brief instant, it seemed as if the comet was bleeding across the sky.

~Kathryn Lasky
