*Girl, People, Children, Persons, World, Poor, Country, Thinking, Information,
Mean, Phones, Wall, Impact, Harder, Differences, Collaboration, Community,
Likes, Today, Simple*

Young people aren't the leaders of tomorrow. They are the leaders of today and tomorrow.

~Kathy Calvin

Phones are powerful at providing information.

~Kathy Calvin

Change always starts with a girl.

~Kathy Calvin

Being poor is not like being a victim. Being poor means that you don't have one resource.

~Kathy Calvin

I'm inspired by the resilience of people around the world.

~Kathy Calvin

I'm a positive person who likes to see things get done.

~Kathy Calvin

Collaboration gets me excited.

~Kathy Calvin

One of the things that people aren't aware of is how much progress is being made in eradicating poverty and providing a healthier life and longevity for people around the world.

~Kathy Calvin

It's harder to be a poor person than anything else.

~Kathy Calvin

Gender data is important. If girls don't have a birth certificate, how do we know how many are marrying as children?

~Kathy Calvin

Women and girls have been my passion for my whole life.

~Kathy Calvin
