You are too arrogant for your own good. I officially de-mate you. Go away. I never want to see you again. Except maybe tonight. Naked. Your place. But after that, no more.

~Katie MacAlister

You think I'm deranged! How refreshing. Everyone here takes me so seriously, it's a wonderful change to be thought mentally deficient.

~Katie MacAlister

Just because I'm flaunting it doesn't mean you can stare for hours on end. A polite ogle is appreciated and suitable for a flaunt. Slobbering is not.

~Katie MacAlister

...my soul bleeding tears of anguish

~Katie MacAlister

Maybe I could just James Bond my way down the cable if I draped the scarf over it, clinging to the ends as my body careened down it to safety-- Careened. What an ugly word that was

~Katie MacAlister

Dammit, Jim. I'm a Guardian, not a doctor.

~Katie MacAlister

Hoo! You're like a giant mood ring! I wonder if I can make different colors show up depending on where i touch you - Nell Harris

~Katie MacAlister

Hey!â€• I said, indignation filling me. â€œI'm immortal! Doesn't that mean I won't get saggy boobs and gray hair? Because if it doesn't mean that, I want a refundâ€”

~Katie MacAlister

I've wanted you since the moment you tried to run me over. You are unlike any woman I have met before. You are strong, and courageous, and you do not suffer fools.

~Katie MacAlister

He does not see as I have that you have given him your heart, but he is male. We will cut him some slack for that handicap, yes?

~Katie MacAlister

Why are you taking your breasts away? • -Dane • Cernunnos • Hearne

~Katie MacAlister

You do not interrupt a man when he is explaining his master plan after having been soundly defeated. Don't you watch any James Bond Movies?

~Katie MacAlister

A compliment would be the last thing out of my mouth to a man who was so pigheaded that he could be served at a luau.

~Katie MacAlister

What's a friend for if not to face almost certain death with, eh?

~Katie MacAlister

You are mine, Aisling. You are mine today, tomorrow and five hundred years from now. You will always be mine. I do not give up my treasures, kincsem. You would do well to remember that.

~Katie MacAlister

Women are such contrary creatures when it comes to sex. You parade around like scantily clad vixens but blush when you're caught staring at the erections you cause.

~Katie MacAlister

I'm your Beloved, dammit! You're going to let me save your soul, and like it!

~Katie MacAlister

Tully/Ysolde: "Brom?" I asked, releasing his head. He reeled backwards for a moment, his eyes huge. "Are you all right?" Brom: "I couldn't breathe," he said, giving my boobs a wary glance.

~Katie MacAlister

You took a bath without me?" I smiled to myself at the accusation in his voice.

~Katie MacAlister

You should just dump the whole saving the world plan and go with global domination. It's probably be more fun.

~Katie MacAlister

Yeah. I know. How stupid is it to French kiss a vampire and not expect sharp teeth?

~Katie MacAlister

Do you want me to ride you like a rented mule, or do you prefer to be Mr. Missionary Position? I'm fine with wither, so it doesn't matter to me.

~Katie MacAlister

I tried to avoid looking at the dress full on, lest it burn out my retinas with its glittering hideousness.

~Katie MacAlister

Those who play with fire should expect to be consumed by it.

~Katie MacAlister

I love you, hugs & kisses, smoochies galore, licks, nibbles & assorted gropages!! -Aisling said to Drake

~Katie MacAlister

Roxy, stop being so obnoxious!" -Joy "I'm never obnoxious; I'm just concerned." -Roxy

~Katie MacAlister

Yes, he is a man, so genetically he's engineered to be dense about many things, but he's not stupid.

~Katie MacAlister

Carrie Fay always says that nothing is really horrible unless it eats away your face.

~Katie MacAlister

Do blood clots get stuck in your teeth? What if someone's anemic; are you hungry again an hour later? Has anyone ever bitten you? If you run out of blood, do you shrivel up like a really old orange?

~Katie MacAlister

I was born. It was easy. My mother did all the hard work.

~Katie MacAlister

My heart sobbed a lament that was hard to ignore.
