If you're a good parent, see the changes that are happening in your kids.

~Keith Emerson

Find a good teacher, as I found for my sons. I feel the worst thing you can do is to try and teach your own children yourself, because there is a natural rebellion that occurs.

~Keith Emerson

I'm not a rich man, and Greg Lake is certainly not. I don't know how he can survive. I don't know how he can be that suicidal. But having said that, I'd love to be there to help Greg.

~Keith Emerson

You've got to keep things flying.

~Keith Emerson

I remember that I used to mix with my friends who had brothers and sisters. I was an only child.

~Keith Emerson

I consider everything I compose a gift.

~Keith Emerson

I don't care who I play to, as long as they enjoy listening to what I play.

~Keith Emerson

Next year I'm going to be a guesting soloist with orchestras all over Europe, to start off with.

~Keith Emerson

I don't regard myself as a great classical or jazz pianist. I like country music, but I'm not a great player. I just like music. Drums 'n' bass is pretty exciting and I'd love to explore it.

~Keith Emerson

We can all put weight on or lose weight.

~Keith Emerson

I love my mother dearly, but it wouldn't be suitable for me to live with her all the time.

~Keith Emerson

If it wasn't good, I wouldn't be going back out on tour.

~Keith Emerson

I've gone through hell and back.

~Keith Emerson

To this day, H.R. Giger's work remains distinctive in every sense. He is frighteningly unique.

~Keith Emerson

If they want a photograph, then just take it.

~Keith Emerson

The best thing about this band is I'm the leader!

~Keith Emerson

I'm proud of my kids, they are doing what they want to do.

~Keith Emerson

My sons are into German music, but they are into all kinds of music.

~Keith Emerson

If we didn't do the tour, it would have been disastrous.
