Two people working on a relationship with the same energy & passion increases the chances of great results.

~Keith Sweat

Before something great happens, everything falls apart. Just hold on long enough to get through the smoke screen.

~Keith Sweat

Im living proof you can excel regardless of where you come from.

~Keith Sweat

If you fall, get back up. That's what life is about.

~Keith Sweat

I treat my career like it just happened yesterday.

~Keith Sweat

I look at music now as just something to keep you relevant.

~Keith Sweat

My whole thing has always been as long as everybody else is going through it, I can go through it as well.

~Keith Sweat

Everything I was feeling, all the hurt and the pain and the emotion I was going through, I put into my music.

~Keith Sweat

There's nothing you can do about what social media is now or the internet. You just try to find other avenues to make yourself seen and heard.

~Keith Sweat

Get off my back, save a heart attack, ain't nobody humpin' around.

~Keith Sweat

My process is always the same. Maybe that's why I stay so consistent, it really doesn't change. I only know one way to record and do things.

~Keith Sweat

Today on social media, you can release anything and everybody will hear it. Back in the day, that was your only outlet, getting a deal with a record company and them distributing it around the world.

~Keith Sweat

R&B is never going to be dead, it's just going to evolve.

~Keith Sweat

My strategy has always been to give people just enough of me, then pull back. That way, they'll want more.

~Keith Sweat

I tell people if it aint broke don't fix it.

~Keith Sweat

Finding a solution is the way to go.

~Keith Sweat

My goal was to bring good music back.

~Keith Sweat

Frustration is not the way to go.

~Keith Sweat

If this is what you love and music is your passion, it's always ways to get through things and find ways to get around things.

~Keith Sweat

There are a lot of young artists that are dope.

~Keith Sweat

Just to be able to release an album back in the day when I came out was very gratifying. Most people were not given the opportunity.

~Keith Sweat

In terms of creating new music, I'm willing to even branch out and take a slight gamble, but I'm not going all the way far left. I'm not trying to reinvent the wheel.

~Keith Sweat

People are still hearing your music. They might not be buying it, but they might be having it and you don't know it. Your music is still out there.
