Anyone that steps into the ring with me is facing a real welterweight.

~Keith Thurman

I only want to fight real champions; I want to fight real opponents, so that I can climb the latter.

~Keith Thurman

There are certain fighters that if they want to remain relevant they will have to get through me.

~Keith Thurman

I'm in love with boxing. It fell into my lap and I have been in love with it ever since.

~Keith Thurman

When a 140 pounder that moves up fights a 140 pounder moved up and they move up it's a catch weight.

~Keith Thurman

When it comes to boxing I find a way to clear my mind. When it comes to boxing you have to fight. Clear your mind and fight. You can't really think of outside things when you're in the ring.

~Keith Thurman

Zaveck is a tough guy. He has never been knocked down and I love putting people to sleep. Knowing that he has never been knocked down is a true test for me

~Keith Thurman

I tell people all the time, nobody wants to be hit. You have to trick a man, to hit a man.

~Keith Thurman

I'm confident that I can steal rounds by getting inside and throwing

punches.

~Keith Thurman

It was my dream as a kid was to make history.

~Keith Thurman

When I say I'm a true welterweight I'm talking about every fighter that has ever moved into the welterweight division.

~Keith Thurman

My boxing inspiration is to one day become world champion, to go as far as I can go and see where it takes me.

~Keith Thurman

There's a lot of great fights to make.

~Keith Thurman

I look up to Bernard Hopkins as a fighter. I'm honored to be his co-main event and to be able to give a great performance.
