I thought Europe was a country?

~Kellie Pickler

As usual, my mind is spinning in circles...is it me? Am I making mountains out of molehills? Being too analytical? Worrying about nothing? Being emotional?

~Kellie Pickler

A country girl can talk her way out of a ticket.

~Kellie Pickler

Things that Never Cross a Mans Mind is probably one of my favorite upbeat tempo songs because it is just a sassy song, and its a fun song.

~Kellie Pickler

Everybody likes their coffee different.

~Kellie Pickler

I'm so lazy. I'm on the road all the time working, so when I'm at home, my perfect date is just laying on the couch!

~Kellie Pickler

In all honesty, I'm not really familiar with Stevie Wonder's music, since country is more of my style. I really have no idea what I am doing.
