

Kelly Ayotte Quotes

*Thinking, People, Real, Winning, Climate, Discouraging, Brotherhood, Support,
Amnesia, Intelligence Gathering, Country, Political, Justice, Protest, World,
Leadership, Trying, Duty, Economic, Impact*

As a former attorney general. I have the greatest respect for the criminal justice system. But it is not good at intelligence gathering.

~Kelly Ayotte

The best way to marginalize the Muslim Brotherhood [in Egypt] is in the ballot box, not through arrests and killing people.

~Kelly Ayotte

You can see the actions that the Russians are trying to take in eastern Ukraine. And so it's so important that we take actions to deter further Russian aggression against the Ukrainian people.

~Kelly Ayotte

[Putin] is a bully. And bullies only understand when we punch them in the nose, but we need to do that economically.

~Kelly Ayotte

There is scientific evidence that demonstrates there is some impact from human activities. However I don't think the evidence is conclusive.

~Kelly Ayotte

If I am going to pick and choose the laws I defend, I wouldn't be doing my duty as attorney general.

~Kelly Ayotte

Governor Romney is suffering from political amnesia.

~Kelly Ayotte

When we have an effort made at sanctions involving many other nations it has a potential of greater impact on Russia and discouraging Putin.

~Kelly Ayotte

We need to deter Putin from further actions because this is a very real threat.

~Kelly Ayotte

If we were to impose greater sanctions on economic sectors, I think we could have a significant impact on Putin.

~Kelly Ayotte

I was the first Republican in the country to support the president's Clean Power Plan.

~Kelly Ayotte

I do believe that [climate change] is real.

~Kelly Ayotte
