

Kelly Preston Quotes

*Husband, Kids, Children, Way, Baby, Three, Marriage, Growing Up, Drug,
Target, Real, Stuff, Grew, Together, Hero, Being Happy, Years, Flying, School,
Thinking*

I was actually lost in Beirut on the way home.

~Kelly Preston

I think by being happy it actually affects the way that you look too.

~Kelly Preston

I grew up in Hawaii so I was outside a lot playing in the water.

~Kelly Preston

I would like to end world hunger and create world peace, stop corruption, stop drugs getting to kids.

~Kelly Preston

I thought it was such a unique concept to play parents who happen to be super heroes and have a son who is going through puberty and starting high school.

~Kelly Preston

So I delegate a lot and I make my family come first, my husband and our kids.

~Kelly Preston

I love being a scientologist, as it's helped me in every single aspect of my life.

~Kelly Preston

The easiest gift to give my husband is anything to do with airlines and flying.

~Kelly Preston

Keeping it all normal and keeping us together is my first priority. Then I fit films into my life.

~Kelly Preston

I have a wonderful marriage and two great kids.

~Kelly Preston

I don't get to go to the super fancy stores unless I am in L.A. so you stay pretty real and normal that way.

~Kelly Preston

I didn't see a ton of movies growing up.

~Kelly Preston

I like to spend my time with my children.

~Kelly Preston

My big places to shop are Wal-Mart and Target - seriously. That is where half of my stuff comes from now.

~Kelly Preston

I took a long time off to have my baby and spend time with my family.

~Kelly Preston

Our friends have nothing to do with the business. Some of our closest friends in Florida are not stars.

~Kelly Preston

I did the twenty-three-hour Nose route to the top of El Capitan in eighteen hours and twenty-three minutes, I can get over this.

~Kelly Preston

I strongly believe as a mother, as does my husband, that there are certain contributing factors that lead to autism and some of it is very much the chemicals in our environment and in our food.

~Kelly Preston

I support anything to do with the welfare and rights of children in a huge

way.

~Kelly Preston

I was a gymnast for years.

~Kelly Preston
