

Kemp Muhl

Quotes

*People, Men, Rocks, Thinking, Hipster, Hate, Pleasure, Song, Musician,
Musical, Rock And Roll, School, Iceland, Complaining, Following, Grace,
Should, Waiting, Phones, Cowboy*

I've been waiting for techno to die. I was in Germany once and this guy was telling me that techno was dead, and then he proceeded to play me techno for hours.

~Kemp Muhl

Glitter is cool because that's like glam rock, but rhinestones need to die out.

~Kemp Muhl

The trend that should definitely die is following trends.

~Kemp Muhl

My theory is that the only people who hate hipsters are hipsters.

~Kemp Muhl

I do think vajazzles need to stop. The whole thing of glitter-ising your cell phone and your purse and your body needs to stop.

~Kemp Muhl

You have to be kind of sensitive to be in rock and roll.

~Kemp Muhl

When it comes to touch and feel as a musician, style is infinitely more important than chops.

~Kemp Muhl

My guilty pleasure is Simon & Garfunkel. I'm embarrassed about it. They're dorky.

~Kemp Muhl

I don't like when things don't match. I love some Eighties fashion, like Grace Jones but primary colours only work in certain situations.

~Kemp Muhl

I find it funny because people complain about Brooklyn becoming too hip, but would they prefer stock brokers or gunfights or something?

~Kemp Muhl

Some of the greatest guitarists, historically, have had no chops, they've just had great taste. I know a lot of musical school kids who just have no taste.

~Kemp Muhl

It takes a real man to wear silk! There aren't a lot of manly men in rock and roll because it's all about cross-dressing to a degree. You have to be kind of sensitive to be in rock and roll.

~Kemp Muhl

I don't think men should think too much about their hair. They shouldn't think. They should just open bottles for women, hammer nails into wall and chop wood.

~Kemp Muhl

My theory is that the only people who hate hipsters are hipsters. Where I come from my friends and family don't even know what they are. The only people that talk about hipsters are hipsters.

~Kemp Muhl

Whatever the medium, if you have great taste and not very much skill, you can still make something great.

~Kemp Muhl

I think every man should have a pair of boots. They're really sexy. Leather boots, cowboy boots, it depends.

~Kemp Muhl
