I would anticipate that the Electoral College will be held on the 13th of December, and our 20 electorate votes will go to the certified winner.

~Ken Blackwell

You know, Jesse Jackson is just trying to stir up a hornet's nest.

~Ken Blackwell

We have 45,000 square miles of geography in Ohio.

~Ken Blackwell

In order to spur economic growth we need to put the brakes on out of control spending, lower Ohioans tax burden and create a most efficient and effective government.

~Ken Blackwell

We have a system that allows us to manage a free and fair election, free of fraud, free of intimidation, and that's what we delivered on election day, and we're very very proud of it.

~Ken Blackwell

I have nothing to do with counting the votes.

~Ken Blackwell

The reality is that we have 70% of our voters use a punch card system that I tried to change and that bipartisan resistance in the legislature stopped.

~Ken Blackwell

And we have the most scrutinized election system in the United States, and we have met every test.

~Ken Blackwell

Job creation requires a business friendly environment with a tax structure that is not punitive and a state government designed for

efficient use of fewer tax dollars.

~Ken Blackwell

I am running for Governor of the great state of Ohio and welcome your support.

~Ken Blackwell

And I'm very proud of the 50,000 poll workers and election officials who delivered a free and fair election.

~Ken Blackwell

Traditional marriage in the platform is the essential building block to our civilization.

~Ken Blackwell

Dogs don't bark at cars that are parked!

~Ken Blackwell

We've become a culture where earning money doesn't entitle you to it, but wanting it does. That is the essence of redistribution.

~Ken Blackwell

The effort of Reince Priebus and the RNC to reach out to movement conservatives has been impressive and will, I believe pay great dividends come election time

~Ken Blackwell
