Ken Buck Quotes

Thinking, Government, Years, Retirement, Income, People, Age, I Am Who I Am, Hands, Who I Am, Corporations, Golf, Moving, Colorado, Choices, Cases, Mean, Men, Inspirational, Amendments

When we leave money in the hands of taxpayers, they buy things, they pay taxes, they grow government.

~Ken Buck

I don't believe in deadlines, I don't believe in telling the enemy when we're going to withdraw.

~Ken Buck

I'm coming to Washington D.C. to do the people's work, and the people's work has to do with - reducing spending, and - cutting budgets, and - and trying to get a grip on the size of government.

~Ken Buck

We've got to make sure our younger workers understand that as life expectancy increases, the retirement date for benefits increases also.

~Ken Buck

In my political career, I'd like to see a constitutional balanced budget amendment.

~Ken Buck

In my life, I'd like to play more golf and, and get a decent handicap.

~Ken Buck

I am who I am. I'm going to speak my mind.

~Ken Buck

I think we need to make sure that we are putting Social Security on a sustainable path. It's absolutely something that the federal government is going to be involved in, in the future.

~Ken Buck

A jury could very well conclude that this is a case of buyer's remorse.

~Ken Buck

The corporate income tax, in particular, is a tax that puts American corporations at a disadvantage.

~Ken Buck

Well, we certainly need to raise the retirement age. I've told my 19-year-old and my 22-year-old that they're not going to be getting retirement benefits at age 62.

~Ken Buck

While I think the earth is warming, I don't think that man-made causes are the primary factor.

~Ken Buck
