

# Ken Salazar Quotes

*Thinking, Country, Oil, Energy, People, Fighting, Fracking, Dream, Colorado,  
Land, Years, Growing Up, Believe, Party, Important, America, Strong, Rivers,  
Solar Energy, New Day*

Each and every Notary Public plays a crucial role in combating identity theft. They serve as our front line of defense and the public is safer because of the job they do.

~Ken Salazar

Meth is a major problem not only in our urban areas, but in most of the rural areas of Colorado. No region has been immune from this scourge and it is getting larger.

~Ken Salazar

Liability does apply with respect to the amount of the oil spill.

~Ken Salazar

Hydraulic fracking is very much a necessary part of the future of natural gas.

~Ken Salazar

I would say to everybody that hydraulic fracking is safe.

~Ken Salazar

I think the future for solar energy is bright.

~Ken Salazar

Americans pay up to 1,000 percent more to fill their prescriptions than consumers in other countries - that is an alarming statistic.

~Ken Salazar

I want all the interested parties to come together and develop a solution that provides additional water and helps the lower Arkansas River communities thrive again.

~Ken Salazar

Too often in Washington special interests urge us to fight one another just because we belong to different parties. It is time for this to stop and

for Washington to focus on what needs to be done.

~Ken Salazar

My family has spent 400 years farming on the banks of the Rio Grande. We know the value of hard work, love of the community, love for water and land.

~Ken Salazar

Dr. Martin Luther King Jr. is one of my personal heroes.

~Ken Salazar

In the West, you take people at their word.

~Ken Salazar

Nothing in life and nothing that we do is risk-free.

~Ken Salazar

We are talking about institutionalizing a program on solar development that will outlast the Obama administration.

~Ken Salazar

Barack Obama was not born into wealth or privilege, yet today his is president of these United States of America. Barack Obama has lived the American Dream. He has walked in our shoes.

~Ken Salazar

I'm proud that Colorado delivered a victory to Barack Obama in 2008 and we will do so again in 2012.

~Ken Salazar

I think Gov. Romney and Congressman Ryan are living in a fairly tale land on their energy policy.

~Ken Salazar

I don't think anyone can speculate what will happen with respect to oil prices and gas prices because they are set on the global economy.

~Ken Salazar
