I often find myself writing about people taking care of each other, or trying to. And often seem to write about situations that are too big for the characters.

~Kenneth Lonergan

I feel like if you can describe something fully and accurately, then people will be able to see it themselves - they don't need be told what to.

~Kenneth Lonergan

I like to let the actors work the way they want to.

~Kenneth Lonergan

It's not a character flaw to become an adult.

~Kenneth Lonergan

I grew up going to the movies, not watching them on television, so I'm still a bit resistant to TV as a medium.

~Kenneth Lonergan

I still haven't quite caught on to the idea of writing without dialogue. I like writing dialogue, and there's nothing wrong with dialogue in movies.

~Kenneth Lonergan

You can shoot a film in New York without seeing the Empire State Building. Or Starbucks...although the latter is much less realistic.

~Kenneth Lonergan

There's something about the impact of a big screen that means something to me, even though I realize almost every film is fated to be seen for a year in theaters, and then forever after on television.

~Kenneth Lonergan

I was nearly a teen-ager before I stopped assuming that everyone I met was Jewish.

~Kenneth Lonergan

I actually think storyboards are great. I don't draw well enough to do them myself. I've only used storyboards a couple of times.

~Kenneth Lonergan

There's a few people who I've accumulated over the years who I really trust to show a first cut to and to be helpful rather than unhelpful.

~Kenneth Lonergan

The world is really heading in a very dangerous direction, it becomes that much more valuable and important to go to the movies and see human beings that are human beings.

~Kenneth Lonergan

I've reached a new level of closeness with a new friend when I can make a joke at their expense. That's one of the great joys of life for me.

~Kenneth Lonergan

I take it as a sign of intimacy and friendship when you feel comfortable enough with someone to have a little rough and tumble.
