People may not tell you how they feel about you, but they always show you. Pay attention.

~Keri Hilson

I'll be honest; I'm a student of fashion. I say that because I just wear what I feel. I'm not led by name brands and things like that.

~Keri Hilson

I prefer men to boys. To clear it up, it's not about an older or younger thing. It's a mindset, not age. There are 18-year-old men out there and there are 40-year-old boys.

~Keri Hilson

Pretty as a picture, sweeter than a swisher. Mad 'cause I'm cuter than the girl that's with ya'.

~Keri Hilson

We were never meant to be baby, we just happened

~Keri Hilson

There have been situations where the people you're around have one vision for you, and it's like trying on a jacket that doesn't fit.

~Keri Hilson

Sometimes love comes around and it knocks you down just get back up when it knocks you down

~Keri Hilson

To be honest with my music... for me to expect anyone to connect it has to come from a place of honesty.

~Keri Hilson

I felt that with In A Perfect World I was still kind of finding myself - not just as a musician, but also in love and in life.

~Keri Hilson

Dear heart, I promised you i'd take it slow. Dear love, I know I swore on everything I own. But I can resist...it's just one kiss.

~Keri Hilson

I always feel compelled to lend my voice to things I strongly believe in.

~Keri Hilson

A lot of boys will let me down but a real man wouldn't do it like that.

~Keri Hilson

I love the water; I love to swim.
