Helping, Karma, Watch Me*

Having Plan B is good. But if your obsessed with Plan A, u'll never need backup. Become Obsessed with ur goals, ur focus will bring results.

~Keshia Chante

Win with me or watch me win.

~Keshia Chante

Live your life as if you are writing your Biography.

~Keshia Chante

What you believe in, is the life you decide.

~Keshia Chante

Sometimes your friends take you ten steps backwards for every step you take forward. Sometimes misplaced loyalty ruins your destiny.

~Keshia Chante

Ego & Hype have no place in business.

~Keshia Chante

Your environment will become you. Surround yourself with people who have the same dream as you, who have accomplished what you want & more.

~Keshia Chante

What's a victory when its hollow?

~Keshia Chante

How you play, is how you'll be remembered. Go Hard, follow your heart or be forgotten.

~Keshia Chante

My life is great because I made it that way. Anything other than

happiness doesn't get a pass key.

~Keshia Chante

Whoever said money can't buy happiness wasn't spending it helping people who needed it.

~Keshia Chante

When you live your life acting upon your deepest intuitions, no decision you ever make in life will be feared or a risk.

~Keshia Chante

A business tip, you never know who's having "pillow talk" with one another. Watch what u say, who u say it to, & WHO u talk about.

~Keshia Chante

When you learn to listen to your gutt, your find all the answers.

~Keshia Chante

The music game is more than just my love for singing, its a sport for me.

~Keshia Chante

A fool will seek revenge, the wise man will allow God's karma.

~Keshia Chante

Don't resurrect relationships with negative people off of good memories. You will only remind yourself why they became your past in the first place.

~Keshia Chante

Ladies, your self-worth is like your price tag. If he's not offering what your worth, he can't have you. No bargains, no sales.
