Comedy is a meritocracy. If you are funny, you are there. If you are not, you are out.

~Kevin Feige

I don't think it's a mistake to put every great idea into the first movie, because I've always said there won't be a second movie if you go 'we'll hold back these ideas for another one.

~Kevin Feige

When we bring the filmmaker, we bring somebody to help us elevate the material with those things, to help us do something different with all of those resources at their disposal.

~Kevin Feige

I'm not a huge comic book fan, but I'm a closet fan of certain Marvel heroes, two of those being Iron Man, and the other being Guardians of the Galaxy, which I'm looking forward to.

~Kevin Feige

Filmmakers are anxious about what other people are working on.

~Kevin Feige

We have audiences that seem to be embracing whether they've heard of the characters or not.

~Kevin Feige

I love female heroes too and would love to bring many more to the big screen in the future.

~Kevin Feige

When you get into individual characters certainly there's been things that have been updated .

~Kevin Feige

It's kind of weird to meet people that grew up in films who are still in touch with reality.

~Kevin Feige

I think [Doctor Strange] it is - it does tap into a supernatural type of genre that is not horror.

~Kevin Feige

I think when comic book fans hear parallel dimensions or multiple dimensions they think of Earth 616 and Earth 617 and Earth 618. That's all possible.

~Kevin Feige

It was the television that turned me to film. My parents did take me to Pete's Dragon.

~Kevin Feige

I don't know that we'll get into Earth 1 thru 616 in any one moment anytime soon.

~Kevin Feige

I have a notion that there's a Star Wars out there waiting to be made, and I'm not sure it's the next Star Wars. I think it's something else that will be fresh and original.

~Kevin Feige

I'm not a scientist. I just read articles that are interesting and that capture my imagination, but I think there's a reason why there's so much faith placed in science.

~Kevin Feige

Let's use that to make as interesting and different and unique a story as possible and not just stay with the same thing.' And this movie is certainly the embodiment of that.

~Kevin Feige

I think those with knowledge of the comics may expect things that will not be happening in the movies. Those who don't know what has happened in the comics will be shocked at what we do.

~Kevin Feige

Once that Gauntlet is on, as the poster of Doctor Strange says, "the impossibilities are endless."

~Kevin Feige

Clickbait is the worst. That's my big moral highground, when I don't click on clickbait.
