I told Clooney, George, you're worth \$100 million " of course you can afford to be a socialist!

~Kevin Sorbo

I don't understand why Christians are taking such a bashing...and why do we glorify people that do destructive things?

~Kevin Sorbo

I'm lucky to be alive. It took three years of therapy to recover but I did it.

~Kevin Sorbo

In a career playing heroes, I learned a little about the real thing. A hero stands up-for himself, for herself, but most importantly for others.

~Kevin Sorbo

I've always been a religious guy, but not overly religious. I've always believed in God and Jesus. I pray.

~Kevin Sorbo

I've always said even the most hardened pro-choice people would be just devastated to watch an actual birth and then watch a baby be killed before their eyes.

~Kevin Sorbo

Christianity takes this beating that I really don't understand and yet you can't say anything negative about the Muslims because that's horrible, you can't say anything negative about other faiths.

~Kevin Sorbo

I'm not going to let other people set my limitations.

~Kevin Sorbo

There are so many negative things out there on television and movies

right now. Even the daily news, it gets depressing.

~Kevin Sorbo

There's a lot of negative messaging and it beats on you after a while. And people are growing up with that stuff and they start believing it themselves.

~Kevin Sorbo

Anybody who knows the public school teacher world knows there's not a lot of money in teaching. You do it because you love what you do.

~Kevin Sorbo

There shouldn't be a separation of any religion in any way. Unfortunately, through the centuries there have been problems from the "My God is better than your God" mentality.

~Kevin Sorbo

I'm definitely more understanding of people who have disabilities and who are suffering.

~Kevin Sorbo

The funny thing about television is that once you start to do it you never get time to watch it.

~Kevin Sorbo

If you believe in God you get to the point where (you feel) "Yeah, you know what, God forgave my sins but I still have to forgive myself."

~Kevin Sorbo

People can be good, people can be generous, people can be helpful. People can help those who are in need when they need it.

~Kevin Sorbo

Hollywood likes to put out their own message out a lot of times, and

that message isn't the best one for everyone.

~Kevin Sorbo

I like doing movies that have good messages and have good moral backgrounds to them and things like that - and send out positive messages.

~Kevin Sorbo

There are many things clogging the television waves. You've got to fight for every bit of television households you can get.
