

Kevin Whately

Quotes

*Alzheimer's, Thinking, Trying, Children, Character, Phases, More Money,
Whole, Sake, Mary, Couple, Needs, Very Good, Wish, Feels, Cancer, People,
Circles, Relaxation, Five*

With your own children, you love them immediately - and with grandchildren, it's exactly the same.

~Kevin Whately

I'm very good at being out of work.

~Kevin Whately

My mum Mary was always a bright, confident and fiercely independent lady.

~Kevin Whately

With all the lines I have to learn for TV scripts, I don't think I have any problems with forgetfulness - that's brain exercise enough for me.

~Kevin Whately

You can't converse with Alzheimer's sufferers in the way you do with others; the dialogue tends to go round in circles.

~Kevin Whately

I never have liked detective dramas. I try to watch all of them to see what's going on, but I don't like them.

~Kevin Whately

Before my mother's diagnosis with Alzheimer's, I had heard of the disease, but hadn't known anyone who had suffered from it.

~Kevin Whately

My family have been around Northumberland for five generations.

~Kevin Whately

I wish people would take more care of the countryside.

~Kevin Whately

With something like cancer, there is a feeling that you can fight it in

some way or control your response to it, but with dementia there is the fear of losing control of your mind and your life.

~Kevin Whately

People think I'm thick because of the characters I play. I think I'm brighter than the characters. Well, I hope I am.

~Kevin Whately

The more telly you do, the more it feels like a factory.

~Kevin Whately

I'm not interested in more money for the sake of it.

~Kevin Whately

I've been going to Bamburgh for holidays since I was a child.

~Kevin Whately

I wanted to be a stage actor but I got stuck on television. It took a couple of years to get used to.

~Kevin Whately

Being a grandparent is whole new phase in your life.

~Kevin Whately

I'm fascinated by politicians, because I suspect the huge majority of them go into it full of ideas and for the best possible reasons but end up being hijacked.

~Kevin Whately

Walking is my main method of relaxation. I don't go over my lines or try to solve the world's problems, I just enjoy the scenery and the wildlife.

~Kevin Whately
