*Men, People, Thinking, Race, Politician, World, Country, Dare, Dignity, Humans,  
Firsts, Citizens, Believe, Justice, Pretext, Again And Again, Punishment,  
Nations, Truth Is, Personal Gain*

Political campaign must not be aimed at collecting ballots, instead, it's honestly aim at seeking support for an ideology.

~Khem Veasna

Today you may not understand me and tomorrow you all think as you thought as yesterday; but I believe in my mind that one day you all will understand me; though there is no my presence.

~Khem Veasna

It is impossible for a person to earn separate dignity while his own race is uncivilized.

~Khem Veasna

If the value of human was given by others, so there is no valuable person in this world.

~Khem Veasna

There is no place in this world warmer than our native land.

~Khem Veasna

A tough fight against evil is the duty of good man.

~Khem Veasna

A strongest man is the loneliest one

~Khem Veasna

Cambodian! Don't we know each other until we die separately?

~Khem Veasna

Selfishness alone is sufficient to bring apocalypse upon a nation.

~Khem Veasna

Politics is not about justice, but about solutions.

~Khem Veasna

Politics is the art of reaching a goal that benefits all citizens of a nation.

~Khem Veasna

A man who excels in creating new things is the one who is good at dreaming when not sleeping.

~Khem Veasna

The problem that is to solve urgently is the ignorance of the people.

~Khem Veasna

The first success of life is we find that life should live in what cause.

~Khem Veasna

I never fear famous politicians, never fear the big parties, I only fear the people do not understand.

~Khem Veasna

No man is cheaper than he who accepted that he's cheap to continue his cheap action.

~Khem Veasna

Personally, I feel that it is the most contemptible thing for a politician to seek personal gains from politics.

~Khem Veasna

You may lose again and again... and again because you always think of success, but you can have success because you never think of it but concentrating your right work only.

~Khem Veasna

This country will not be a peaceful place for us to live if we do not make it to be a peaceful place with our fists.

~Khem Veasna

In a thing, they can create a pretext coined hundreds of excuses , but the truth is only one.

~Khem Veasna

It is a real tragedy for a nation when three groups of it's people, namely politicians, religious leaders and charity workes, just pretend to be generous.

~Khem Veasna

Political job is not a business job but it is a job of the people who have generous heart who want to help others with their views.

~Khem Veasna

You read nothing if you dare not giving any judgement.

~Khem Veasna

Better to be ordinary people in a superior country than to be a president in a disreputable country.

~Khem Veasna

We have to walk slowly and carefully because we are in a hurry.

~Khem Veasna

Refuse to believe and research is a way to the truth.

~Khem Veasna

To be completely featured as human. First of all, man must live with the truth.

~Khem Veasna

The conscience of human never allows us to be quited with the injustice.

~Khem Veasna

In the name of a race you cannot find any dignity in the contemptability of your race.

~Khem Veasna

If you do not clean up your society now, therefore the legacy you have left for your children is nothing other than an unjust society.

~Khem Veasna

Repentance is the biggest punishment of ideal man.

~Khem Veasna

I read the books, get some, Listen to others, get little but what i get the most is to sit and think.

~Khem Veasna

A true brave man is the one who dares to work against personal-interest.

~Khem Veasna

I don't lead you and you must not lead me too, but we have each other, go forward together as brothers and sisters.

~Khem Veasna

It is futile to debate on what is wrong and right with people whose remorse is not their punishment, nor is it reasonable to care about their promise and criticism.

~Khem Veasna

In every circumstance, though the nation has liberated already and we have worked for the nation, or we have not, providing the foundation for critical thinking to the people is still important.

~Khem Veasna

Politics is not an issue whether you like or dislike , but every citizen

must involve.

~Khem Veasna
