I don't think because I hang out with enough black people, I'm gonna turn black. What kind of rationalization is that? I'm just friends with people that I like. I don't care what skin color you are.

~Khloe Kardashian

Leopard print has been my thing forever! When I was a teenager my entire room was done in leopard print - it's timeless, chic, and always in style. When in doubt... leopard!

~Khloe Kardashian

Keep away from people who try to belittle your ambitions. Never allow anyone to take YOUR spirit away from you.

~Khloe Kardashian

I don't believe in revenge. When people are bullies it's because of a deeper-rooted issue - either their family life is tough or they're being bullied by someone bigger than they are.

~Khloe Kardashian

Everyone expects me to be 9 feet tall and weigh 200 pounds [when they meet me].

~Khloe Kardashian

I always have mini bottles of Unbreakable, the fragrance I did with my husband. I'm Armenian, so I'm oily and always have blotting papers.

~Khloe Kardashian

It just sucks when you've given so much and you realize it still wasn't good enough for someone.

~Khloe Kardashian

I would surrender my being to see you whole once more.

~Khloe Kardashian

I love all of my shoes! It is a must to have them color coordinated, and to be able to see each and every one of them. I know exactly where each one lives and I can tell if one has even been moved!

~Khloe Kardashian

Not to be vain, but I have nice long legs, so I like to accentuate them. Find what part of your body you love most - it can be your arms, your chest, your legs - and emphasize that.

~Khloe Kardashian

I'm not shy about wearing a lot of makeup! But when I don't have to be done up, I just use a bit of concealer and maybe some lip balm.

~Khloe Kardashian

My weight fluctuates, like any normal girl, and I have times when I feel insecure.

~Khloe Kardashian

I have two younger sisters and I'm such an advocate of owning who you are as a person. Don't be ashamed or intimidated. Never feel like you are not amazing.

~Khloe Kardashian

When I was at home, I felt loved and safe. My sisters were always a safe haven for me. I knew they would always play with me and make me feel like I was one of them.

~Khloe Kardashian

I'm Armenian, but I'm very fair and I look white... I would always get such hate about it.

~Khloe Kardashian

I just let my hair go - if there's no hairdresser around I really can't be bothered!

~Khloe Kardashian

I'm a modern girl, but you should put your husband first. I like to think divorce is not an option.

~Khloe Kardashian

I like to do designs on the side of my face, or cut out foil stickers from the crafts store and put them on my forehead.

~Khloe Kardashian

I used to follow trends and try to do exactly what I saw in the magazines, but I'm not a Victoria's Secret model who can wear anything.

~Khloe Kardashian

I'm strong and fearless and not afraid to take risks in business.

~Khloe Kardashian

But I also enjoy life... the more scrutiny I am under, the more confident I become. I am who I am. I can't do anything about it, and I love who I am.

~Khloe Kardashian

Wow my sister has changed. She used to whip her boobs out for no reason. Now she does it to feed her child.

~Khloe Kardashian

I live in a world where there's magazines and blogs, and people feel like they are allowed to criticize me, and in the meanest way.

~Khloe Kardashian

I have moments of weakness, but mostly I brush the criticism off... Who cares if I'm not a size zero? I don't want to be. I love my body; I'm healthy, I work out.

~Khloe Kardashian

It's easier to date a football player for sure. Football players have one game a week, and they practice every day, but they're all at home. In basketball, they're on the road all the time.

~Khloe Kardashian

I don't feel the pressure by outsiders. I'm not someone who's easily influenced by the public.

~Khloe Kardashian

A moment on the lips is a lifetime on the hips.

~Khloe Kardashian

You can't expect everyone to love you. I'm not someone who just wants to throw out hate, just because.

~Khloe Kardashian

A lot of adults don't think it's their place to interfere with kids. I interfere all the time.

~Khloe Kardashian

I love doing fashion.

~Khloe Kardashian

I think - and even with the Live Chin Up movement - it's about women doing things for themselves. Being empowered. Doing things that make you happy. I believe in that philosophy.

~Khloe Kardashian

You know, I'm allowed to f--king date, I haven't seen this guy in three years. We're in the middle of a divorce. For a woman, she has to wait. For a man, who cares? That's what it's painted as.

~Khloe Kardashian

I think that denim is a sexy piece. If I would invest in anything in my closet it would be denim because you can wear it day to night and now it's even acceptable to wear to a business meeting.

~Khloe Kardashian

I'm not really an actress.

~Khloe Kardashian

Fame comes and fame goes, but you have to be able to laugh about yourself and to take it with a grain of salt.

~Khloe Kardashian

If I even imagined someone talking to my husband too close, I would beat the crap out of them.

~Khloe Kardashian

Part of being married is knowing when your husband needs your support.

~Khloe Kardashian

People make me feel like I have a problem because I haven't had a kid yet.

~Khloe Kardashian

When I did the cover of 'Cosmo International,' Turkey picked it up and I got a lot of backlash for it.

~Khloe Kardashian

If you're too embarrassed and want to hide behind your computer screen, that's what this is for. It's about building confidence and that's what U by Kotex does. Girls owning their bodies and health.

~Khloe Kardashian

I went to Catholic school and they basically just said don't have sex, but

would never explain anything.

~Khloe Kardashian

I'm not big on looking up myself. I don't get Google alerts, and I don't look on blogs.

~Khloe Kardashian

If I want to wear a long flowing dress, someone will say I'm pregnant.

~Khloe Kardashian

We believe in embracing a woman's curves and I feel like now so many people are breaking down these barriers of not only going to a size 6 or 8, which is considered "normal."

~Khloe Kardashian

You know, it's funny, no matter what I do - I mean, you're always going to have negatives and positives.

~Khloe Kardashian

To be able to design for the plus-sized consumer, for me, that's just beyond. It's a dream.
