Iceland, I'm in love with that country, the people are incredible.

~Kit Harington

The best people to have power are the ones who don't want it.

~Kit Harington

I love acting and I know that's a cliché, but I didn't really, I was very naïve when it came to the whole being recognized thing.

~Kit Harington

When you're a lead role, I'm learning that you set a tone for the movie in a way, like a director does, or like other actors do. But it seems like you set a mood on set.

~Kit Harington

I love going out. I love partying.

~Kit Harington

I just don't know anything about fashion.

~Kit Harington

Politics is a game and a profession. It doesn't really serve the people the politicians are supposed to serve.

~Kit Harington

You find with the really great actors, the ones you really admire and look up to, very often they're very giving, generous, warm people.

~Kit Harington

It's a nightmare if you're working with someone you don't get on with, especially if you have to be in love with them.

~Kit Harington

I'm very much a "that's so obvious, I must not mention it" kind of guy.

~Kit Harington

I love action. I love doing fight scenes, I always have.

~Kit Harington

I try not to read the social networks too much. I find that way madness lies.

~Kit Harington

I've always been a bit of a self-doubter, I think a lot of actors are. I still am.

~Kit Harington

There are lots of actors out there who are hugely, hugely talented and haven't got the breaks I've had.

~Kit Harington

I've inherited the bad poetry genes, but not the inventor genes.

~Kit Harington

Working with animals is always going to be tough because the animal doesn't know it's an actor.

~Kit Harington

I'm very lucky, I've got two very loving parents, still very much together, and always been very supportive.

~Kit Harington

At drama school, I was always playing the 11-year-old boys.

~Kit Harington

I like playing dark, broody types.

~Kit Harington

When I'm applying for a new passport, or something, someone will call me Christopher. Other than that, no one ever calls me Christopher.

~Kit Harington

Each project changes you a bit.

~Kit Harington

The more you fly, the more unsettling it is, because you realize how much more likely it will be for you to crash. I am getting better at it, though.

~Kit Harington

Attention gets you the opposite sex sometimes.

~Kit Harington

It's very difficult to say anything in Icelandic. I can say "takk," which means "thank you." That's about all I learned.

~Kit Harington

Like every actor, you get notorious for maybe one role and then get offered a lot of similar roles.

~Kit Harington

I kind of weirdly fell into being an action hero...I have no f- idea how that happened. You have to remind people that you want to act rather than just run around

~Kit Harington

I wear quite fitted clothing. I don't like wearing baggy stuff.
