Because, also the world of showbiz is not just black and white, good and bad.

~Klaus Schulze

The human voice is the first and most natural musical instrument, also the most emotional.

~Klaus Schulze

As always in a musical collaboration: One has to like each other. As simple as that.

~Klaus Schulze

Everything changes permantly. How boring if it wouldn't.

~Klaus Schulze

I never had many problems to do my music and to give it to a record company. Rarely do they try to argue with me about my music, probably because it's still too far-out.

~Klaus Schulze

Every music - except dance music, which is for dancing, I suppose - is for the spirit of the human being, and not for the body.

~Klaus Schulze

A concert is a concert is a concert is a concert. An album is an album is an album is an album. Musically, both have nothing in common.

~Klaus Schulze

As everyone else, I was a fan of Pink Floyd in the sixties.

~Klaus Schulze

And of course, the musician - if he's serious - always answers: My last album is my best, otherwise I wouldn't have done it.

~Klaus Schulze

We are all part of a tradition, at least we depend on the past.

~Klaus Schulze

I went solo because I could do much better what I wanted to do. I didn't have to ask or discuss things and ideas that are already shaped in my head.

~Klaus Schulze

When I came back I had to realize that IC was not in a very good shape - all the much money that we had because of the huge Ideal success, was gone. I was very upset.

~Klaus Schulze

Most of today's music is done electronically.

~Klaus Schulze

How did this or that change my music? The only time I have to think about it is when an interviewer asks me that.

~Klaus Schulze

Yes, sampling has changed not just my way of playing and composing.

~Klaus Schulze

Psy Free was a trio consisting of guitar, organ and drums. I was the drummer. We did what the name suggests: psychedelic, free music.

~Klaus Schulze

Manuel is still today a good friend. The others I see rarely, but with Edgar I phone from time to time.

~Klaus Schulze

I had to realize that the use of samples has its rules, too.

~Klaus Schulze

Yes, I'm a musician. I also like to play with others, sometimes more, sometimes less.

~Klaus Schulze

I did not start IC and Inteam to have control over my music. I had control before and after.

~Klaus Schulze

Sometimes I like to make music together with a singer or with singers.
