Girl, Technology, Stuff, Sound, Guy, World, Stupid, Stills, Skills, Boys*

I come prepared with the white suit and stethoscope, Listen to your heartbeat, delete beep beep BEEP. Your insurance is high, but my price is cheap.

~Kool Keith

Now my helmet's on, you can't tell me I'm not in space.

~Kool Keith

Supersonic bionic robot voodoo power Equator ex my chance to flex skills on Ampex

~Kool Keith

Dallas Mavericks want me as a bald-headed 5' 8" guard with a 95" vertical. Vince Carter respect my legs, ask Shawn Kemp.

~Kool Keith

Think about it, if you was there standing looking at me. What would you do, if I hit your face with dog doo-doo?

~Kool Keith

Starstruck with one buck, your girl look like Donald Duck.

~Kool Keith

Shakespeare's gone, don't even think about it.

~Kool Keith

Tough like a Ukulele.

~Kool Keith

I've always been a direct guy.

~Kool Keith

If you want to say you got to take a woman out to a fancy restaurant, I write songs about hey I'm not taking you to a fancy restaurant, I wanna

take you to McDonald's.

~Kool Keith

You need a bad operation. Gimme the scissors, hammer, flame.

~Kool Keith

I write the most sexiest records out.

~Kool Keith

Business money reattaches worldwide  
Deep inside stops the diamond rocks  
In a million world, billion world, quitrillion world  
Rap moves on to the year three thousand

~Kool Keith

I get atomic, hypo-galactical... Word to mom, I'm in my own world.  
Galaxy rays? Powerful.

~Kool Keith

I wear black while suckers wear pink.

~Kool Keith

I think I speak for the guy who is just s a regular guy who says yo I don't wanna go to an expensive restaurant.

~Kool Keith

I've done so many hip-hop albums already I got tired of just hip-hop.

~Kool Keith

I don't need drugs to make weird music.

~Kool Keith

I think a lot of the high technology is distracting.

~Kool Keith

I didn't think of rap with that type of south feel and that look and the hay and all that.

~Kool Keith

As I get older, I've shied away from a lot of convention. I've just been making my records.

~Kool Keith

Leave my diapers moist in the back seat of your Rolls Royce

~Kool Keith

I'm not against women. I'm not against men. I just write about me telling my side of how I would say something.

~Kool Keith

I mean the world is a place where it feels like a woman has to go out everywhere in society, you have to buy her and cook her a meal and stuff.

~Kool Keith

People tend to lock into one thing that you do that they consider to be better than the last one.

~Kool Keith

I always buy something to make myself motivated. It's good to feel that you can buy something and motivate yourself. That's what I do, just buy stuff. I like to buy something new and then record.

~Kool Keith

I had BEEN making futuristic records way before a lot of the groups that came out, but now everybody is running to make their albums sound new, but it sounds too made up.

~Kool Keith

But still at that particular level of commercialism I listen to those projects I still hear some stagnation in a lot of the stuff.

~Kool Keith

I think people get mad because I make more direct records.

~Kool Keith

I think Missy Elliot is pretty creative, I mean at least trying to take it to the future.

~Kool Keith

So it's like the underground world no longer exists economically cause they're not giving money back to their supporting artists.

~Kool Keith

Everybody's still in the 70s and 80s musically, still making remakes.

~Kool Keith

I'm not really entertained anymore, everything sounds the same. We have a crisis right now of innovative music. I'm probably the only person left trying to do something different and brand new.

~Kool Keith

Certain songs I feel different people should be on different tracks, you know it's emotional. I put myself into characters for certain records.

~Kool Keith

I write a lot of songs about my impressions from a man's point of view.

~Kool Keith

I think I write more outspoken than the average rapper.

~Kool Keith

I thought of rap I thought of Grand Master Flash and I thought of about

what they went through.

~Kool Keith
