Being alone & actually sitting with our own thoughts can lead to such growth and realizations that are rare in our everyday busy lives.

~Kourtney Kardashian

My daily style is easy and effortless - I don't like to take too much time getting ready.

~Kourtney Kardashian

I think I have mental problems, I think I have like weird obsessions with things, really annoying.

~Kourtney Kardashian

I'm proof that, even after having a baby, you can look better and sexier than ever!

~Kourtney Kardashian

When we have fights in our family, they don't end with an apology. You make up by getting back to normal. Like you'll call and say, 'You want to go shopping?'

~Kourtney Kardashian

I've been wearing lipstick since I was in 7th grade. That was our form of daring self-expression, because we had to wear uniforms in school. It made our teachers so angry.

~Kourtney Kardashian

I think my daughter actually influences my style more than having boys. I tend to dress more masculine with pants or shorts or flat boots, and she makes me want to dress more stylish, more girly.

~Kourtney Kardashian

I didn't expect to see Kim, but I'm gonna be professional when I really just want to sock her in the face

~Kourtney Kardashian

Being a mom, I love to play with my kids and have fun with them, but I also love fashion. My mom and both of my grandmothers have always been into fashion, so it's been around us our whole lives.

~Kourtney Kardashian

I don't think anyone can fall in love for ratings.

~Kourtney Kardashian

I've worked so hard to keep this family together.

~Kourtney Kardashian

I have had breast implants, but it's so funny 'cause it's not a secret; I could care less.

~Kourtney Kardashian

A tan is the best accessory for any outfit!

~Kourtney Kardashian

Fashion is so subjective, and I think it should be playful.

~Kourtney Kardashian

My attitude is, if someone sees a little somethin' somethin', don't look if you don't like it.

~Kourtney Kardashian

When every moment is constantly being filmed, it's hard to relax.

~Kourtney Kardashian

When you're breastfeeding, you don't get juicy down there. The juice isn't loose.

~Kourtney Kardashian

I think motherhood is just about instinct. I remember coming home from the hospital and having no idea what we were doing.

~Kourtney Kardashian

It'd be fun to rip Khloe's pubes out one by one.

~Kourtney Kardashian

You are so annoying. I could literally slap the sh*t out of you and feel so much better.

~Kourtney Kardashian

Being a mom is what life is about. I hope people realize what the priorities in life should be and know not everything has to be perfect.

~Kourtney Kardashian

I would say a lack of sleep is a cause for feeling not so beautiful. On those days, I try to drink lots of water and put on the biggest sunglasses I can find.

~Kourtney Kardashian

I remember one day I was kissing Mason and he spit up in my mouth and I loved it.

~Kourtney Kardashian

Sometimes I just wish nobody knew who I was.

~Kourtney Kardashian

I loved dressing for my pregnant body. A pregnant woman's body is so beautiful. Towards the end, it does get harder, and then it became all about flats and comfortable maxi dresses.

~Kourtney Kardashian

Growing up, I never heard my parents curse, never. The first time I ever said a curse word was with my sister Kim.

~Kourtney Kardashian

I love to read books that focus on parenting topics because there are so many different ways to do things. I find these books offer a lot of great opinions on many different subjects.

~Kourtney Kardashian

I like to take my time and not try to put too much pressure on myself, but it's hard. I think I forget every time - you give birth and you want your stomach to be flat again.

~Kourtney Kardashian

For me, juggling mommyhood and work is a challenge, but each day I learn little tricks to make it all come together.
