I got the swag and it's pumping out my ovaries

~Kreayshawn

I like Goodwill and the thrift stores. I don't like going into a store and picking from a bunch of cute stuff that's already been found. One of the best parts is finding it myself.

~Kreayshawn

I love Claw Money. They always send me stuff. I always wear their sweatpants.

In L.A. like there's a lot of like materialism and, you know, people who think they're better than each other because of the clothes they wear or how they dress and in Oakland it's not like that.

~Kreayshawn

Guys usually like my sense of humor, and I am pretty down to earth. And I'm a driven person.

~Kreayshawn

My favorite lie was the online rumor that Bruce Willis was my uncle. That's hilarious.

~Kreayshawn

I always see guys get all, like, flexed on other people, trying to show off that they are tough, and it is just, like, no girl really likes that.

~Kreayshawn

I don't only like rap music. There's everything from R&B to crazy gangster rap, hip hop... everything! But it all blends together nicely. It's like a magical music rainbow.

~Kreayshawn

I am an artsy girl. It's no secret that I am artsy, you know.

~Kreayshawn

I'm obsessed with horrible movies.

~Kreayshawn

I like playing my Tamagotchi and Game Boy. They take me back to the old days when times were more simple.

~Kreayshawn

My mom was in a punk rock band called The Trash Women and they toured and all of that. She had me when she was 17.

~Kreayshawn

I wanna make stuff that sonically sounds really good. I don't wanna make a song about how people think I'm this when I'm really that. I don't wanna make a song about how I grew up broke.

~Kreayshawn

I'm not really concerned with trying to turn haters into believers.
