Spy

The bottom line is, insults only hurt when they come from someone I respect.

~Kresley Cole

I often help others discover the outer limits of their hatred. It's a talent of mine.

~Kresley Cole

There was French kissing, and then there was Cajun French kissing. Spicier, harder, wilder.

~Kresley Cole

My looks had gone from well-kempt cheerleader to apocalyptic disasterpiece.

~Kresley Cole

I got nothing. Even the spies I'm spying on who are spying on other spies got nothing.

~Kresley Cole

Two things that can never be contained? Velociraptors and zombies.

~Kresley Cole

Those who betray me only do so once.

~Kresley Cole

I take no actions that I wouldn't publicly recount. If you can't speak your deeds, then don't do them.

~Kresley Cole

Never run from one such as me, female. You will no' get away - and we like it.

~Kresley Cole

Fate has a way of getting what she wants, no matter how we try to avoid it.

~Kresley Cole

It'll only hurt for a second. Promise.

~Kresley Cole

And speaking of females, if I call you by one's name while my fangs are plunged deep in your neck, just run with it.

~Kresley Cole

Remember my titles? I don't get poisoned, I do the poisoning. I'm the princess of it.

~Kresley Cole

Gods, I love it when you talk mathy to me.

~Kresley Cole

Lothaire: Hate scars. I'm physically flawless--why can't everyone be? Everywhere Lothaire went, people stopped and stared. Of course, then they usually ran.

~Kresley Cole

Rydstrom: "To get it right this time."

~Kresley Cole

My mom could be really fierce. A regular Frau Badass.
