Quotes

*People, Writing, Fans, Want, Song, Thinking, Sports, Littles, Sometimes,
School, Arkansas, Breakup, Stupid, Easy, Journaling, Challenges, Mean,
Trying, Father, Chance*

I am a huge sports fan.

~Kris Allen

I love really good food and I don't ever want to spend too much for it, but I like hanging out and having really good, tasty, interesting food.

~Kris Allen

We only got 86 400 seconds in a day to turn it all around or throw it all away. We gotta tell â€œem that we love â€œem while we got the chance to say.. Gotta live like we're dying

~Kris Allen

I tell people this: It's hard to write about walking in the park, but it's easy to write about a breakup.

~Kris Allen

I'm a huge fan of music in schools and music education because that's how I grew up.

~Kris Allen

I'm not a terrible person, I know that, but sometimes in a relationship, I can be crappy.

~Kris Allen

I say the stupidest stuff, all the time, off of Twitter, and so I think Twitter is good way for people to get to know the stupid side of me.

~Kris Allen

I love my fans because they're smart, dude.

~Kris Allen

I would love to just talk to Paul McCartney. That would be incredible, but that is definitely like a dream.

~Kris Allen

It's insane that there are actually people listening to my music all over the world, which is amazing.

~Kris Allen

I have an amazing relationship with my wife, but sometimes there are arguments. It happens.

~Kris Allen

I think America sees someone like myself, and they see it's not just a voice. It's the musicality of it all. People see that you can play an instrument and think you can immediately write songs.

~Kris Allen

The biggest change is I get to play my music for the people.

~Kris Allen

I like watching sports. I like going to sports games and that's kind of my life during football season for sure.

~Kris Allen

I am a huge sports fan. I grew up playing sports and I'm a huge [Arkansas] Razorbacks fan, but any sports personally.

~Kris Allen

If you become a father, you're not doing things for yourself anymore. You're thinking about someone else. And that is not a burden.

~Kris Allen

Journaling is something that I've always tried to get into.

~Kris Allen

There is plenty of people I'd love to collaborate with, would love to produce with, would love to write songs with.

~Kris Allen

I'm not a man of many words, I'm not very expressive or emotional, but it comes out in my music.

~Kris Allen

I am really laid back and kind of go-with-the-flow, but I will never do anything that I don't believe in.

~Kris Allen

For me, I feel like I relate to a lot of people.

~Kris Allen

Writing music and playing guitar was really what I wanted to do forever.

~Kris Allen

I love pop music, but I love pop music that does something a little bit different.

~Kris Allen

It's hard to write music for specific things, because I'm always writing just to write.

~Kris Allen

I've always been a procrastinator.

~Kris Allen

Trying to convey an emotion through words is not easy.

~Kris Allen

Arkansas is really, really nice. Its got the nature feel.

~Kris Allen

Il know very, very little about the ukulele, but I actually grew up playing the viola from 4th grade through high school.

~Kris Allen

I've always wanted to be a dad.

~Kris Allen

The biggest thing I learned was that the harder you work for the thing that you love the most, then everything that you want is going to come true.

~Kris Allen

I love any kind of candy.

~Kris Allen

I like Mutemath a lot.

~Kris Allen

I want my music to feel like I'm giving something to someone else and not that I'm expecting something back.

~Kris Allen
