Hate no one, for hate is a starving beast who has just found its prey.

~Kristen Ashley

Truth, honesty, perseverance, strength, love of all kinds and forgiveness are all beautiful, Tack. The most beautiful stories ever told are the most difficult to take.

~Kristen Ashley

That's the beauty of books. We get to take what we want out of them and it can be different for everyone.

~Kristen Ashley

You got one life, never use it just to breathe.

~Kristen Ashley

It's never too late to reach for happiness and no matter what life has done to you, it's never too late to find it.

~Kristen Ashley

Hate is not a feeling toward another, but a feeling of defeat by another.

~Kristen Ashley

Thank you for keeping it a secret. There aren't many of those in this tribe.

~Kristen Ashley

We're all lost. The best chance we got is to wander this life with the people who matter.

~Kristen Ashley

I'm not going to work in a place where I can't eat donuts.

~Kristen Ashley

Seriously, I don't care if feminists hunt me down and burn me at the

stake, that man crooked his finger at me, I'd follow him into a bank and rob it at his side.

~Kristen Ashley

Even though I felt like crying, I did my very best to smile.

~Kristen Ashley

I prefer your smiles and laughter, wife, but there are far worse things than your tears wetting my skin.

~Kristen Ashley

Wherever you are, however you got there, if it's good, you're meant to be there either because you earned it or life led you there and you were smart enough to hold on.

~Kristen Ashley

Rule Number One in the India Savage Life Code: When in doubt or possible trouble, lie.

~Kristen Ashley

Forgiveness is beautiful and it feels good when someone gives that gift to you. But it's one thing for someone you wronged to forgive you. It was another to forgive yourself.

~Kristen Ashley

I can't function around a man if I know his ability to give pleasure.

~Kristen Ashley

You want sweet dreams, lose the attitude and you might find I'll give you reason to have them.

~Kristen Ashley

Never bury something deep, baby. Takes twice as much courage to be who you are, say what you think, feel what you feel and let it show then

it does to bury it.

~Kristen Ashley

Your grandmother used to say that you were two souls separated in heaven. She mainly meant you were both trouble and deserved each other.

~Kristen Ashley

You're pissed I laid it out and you're gonna go nurse your snit

~Kristen Ashley

My life was over, finished, and I'd never seen Pearl Jam play live
