Everybody's trying to leave their mark on the world. That's why there's graffiti and babies.

~Kristen Schaal

Turkeys are peacocks that have really let themselves go.

~Kristen Schaal

No one knows who the real me is, so I can be a hundred different kinds of me.

~Kristen Schaal

I diagnosed my loneliness as premature empty nest syndrome.

~Kristen Schaal

He resisted for a while and there were some legal boundaries, you know, keeping me from being near him or his family, but in the end, love overcame. And I got what I wanted. I always get what I want.

~Kristen Schaal

Most of the people I know in comedy are not weird or messed up.

~Kristen Schaal

I would love for people to know that the label feminist is something that everyone should wear proudly, because it just means that you support women.

~Kristen Schaal

This is very ambitious, but I don't care. I'm just gonna go ahead and find Amelia Earhart. Every day that goes by, I just fear the worst for her.

~Kristen Schaal

The first time I was on TV, on "Flight of the Conchords," someone put up a YouTube clip and said, 'You're too ugly to be on TV.' And I was

like, 'That is exactly why it's a good thing that I'm on TV.'

~Kristen Schaal

I think I've always had a disconnect from what I'm supposed to be like.

~Kristen Schaal

Fingernails are for opening things and toenails are for storing precious minerals off the ground.

~Kristen Schaal

You know, quite a few species of fish require two or more sexual partners.

~Kristen Schaal

Mel: Does Bret's girlfriend look anything like me? Murray: A little, around the eyes. Mel: Oh yeah? Big eyes huh? Murray: Well... she's got eyes.

~Kristen Schaal

If you were to send a werewolf to the moon, would he be a werewolf permanently?

~Kristen Schaal

Still blows my mind that toilet paper isn't free.

~Kristen Schaal

I used to carry a rabbit's foot for luck. Then it was a monkey's paw. Now it's a camel's toe.

~Kristen Schaal

I'm so happy to be around people. I just really like people, and being a freelancer can be lonely during the day, when you're at home trying to write anything you can.

~Kristen Schaal

1st Valentine's Day: 200,000 BC men and women congregate on opposite sides of Pangaea, waiting for someone to make the first move.

~Kristen Schaal

Guys. If your pants are below your ass you have no right to accuse any lady of dressing slutty.

~Kristen Schaal

The service at this airport restaurant is so bad I'm starting to panic that I'm a ghost.

~Kristen Schaal

A kiss is like a fight, with mouths.

~Kristen Schaal

You're looking good today Bret. Very hot... hotter than Jemaine. You have a refined bone structure, while Jemaine's facial features are too deep set to be classically handsome.

~Kristen Schaal

I would imagine that Bret would taste like a warm goat cheese, and Jemaine would taste like harvati with dill. Hmm...I'm hungry actually.

~Kristen Schaal

Mel: What was your name again? Rain: Rain. Mel: Oh that's nice. Kind of like bad weather.

~Kristen Schaal

I prefer writing for myself to perform, I guess. But if I had to choose, I'd rather perform in someone's movie than write a movie for someone else.

~Kristen Schaal

If you are feeling overly optimistic the Republican Candidates Debate is on.

~Kristen Schaal

All the best movies are the ones that are cut from a more middle ground.

~Kristen Schaal

Sarcasm doesn't read sarcastic in print.

~Kristen Schaal

At first the kid kicking the back of my airplane seat was enraging. Then I imagined it was a broken massage chair and I kinda liked it.

~Kristen Schaal

I'd hate to be a writer forever and never perform, and I'd hate to perform and not write. I get sad if time has passed and I haven't written or made anything. I'm an artist.

~Kristen Schaal

I'm just happy our nations are on the same page of keeping shitty reality TV on the air. Small world!

~Kristen Schaal

If I'm having a fancy glass of champagne, I'll always mix it with the champagne of beers. Because I deserve all the champagnes.

~Kristen Schaal

One good thing about being locked in a cage: No responsibility!

~Kristen Schaal

As you can see, I speak many languages, including the language of sex.

~Kristen Schaal

I would like to be known as someone who was really sweet but also knowledgeable in all areas of life.

~Kristen Schaal

Some women were talking about how I put out. And that's just not that case. I don't put out - unless I'm asked very, very politely, and that's not putting out, that's just giving in.

~Kristen Schaal

Oh man, the car could just burst into flames right now and this would be the way to go, huh guys?

~Kristen Schaal

Just because I'm married to Doug doesn't mean I can't be here for you.
