My personal style is really comfy: flats, tennis shoes, ponytails, no makeup.

~Kristin Bauer van Straten

I have more things going on right now than I can actually do without the invention of a cloning device. It is great!

~Kristin Bauer van Straten

People can do all kinds of things that maybe aren't wise in hindsight because of jealousy.

~Kristin Bauer van Straten

My acting teacher used to say that people reveal themselves in their opposites.

~Kristin Bauer van Straten

I have to remember to not criticize other networks for other shows when I'm doing interviews because some day I'm going to be going to them, looking for a job, I'm assuming.

~Kristin Bauer van Straten

I really don't want to hurt others for my benefit.

~Kristin Bauer van Straten

That evidence of the spirit of life is what makes me get out of bed in the morning.

~Kristin Bauer van Straten

As an actor, I look at first what I can borrow from what I really feel.

~Kristin Bauer van Straten

Art and the triumph of the human spirit - the two combined thrill me.

~Kristin Bauer van Straten

The loss of free will I find unacceptable - what most of us refer to as rights.

~Kristin Bauer van Straten

I will never be ok with the suffering of others - that I will likely continue to fight so I must treat it as a marathon race not a sprint.

~Kristin Bauer van Straten

I have discovered that I cannot ignore the infliction of suffering - especially for my convenience or pleasure! It's as if a puppy is being kicked in front of me. I must try to do something.

~Kristin Bauer van Straten

I was a maid, so cleaning toilets wasn't my favorite thing, but honestly, standing outside all day in the cold was worse.

~Kristin Bauer van Straten

I am no longer able to be anonymous.

~Kristin Bauer van Straten

One of my main techniques for acting is I try to know almost nothing beyond the words that I have to say, because that's my zone of control.

~Kristin Bauer van Straten

I can watch endless humans get killed, but if I see a movie and they kill a dog, I practically want to walk out.

~Kristin Bauer van Straten

I've been married for four years, and I'm still finding out things about my husband.

~Kristin Bauer van Straten

I was collecting Barbies. I know... embarrassing. I sold them all on

eBay, and traded them for vintage dishes. So I've collected two things.

~Kristin Bauer van Straten

What I would hope to do is painting, because I don't think I'm qualified for anything else. My last job would be babysitting, so I don't think Starbucks would even hire me.

~Kristin Bauer van Straten

I went to school for fine art. I'm a decent housepainter, but I'm a really good fine art painter.

~Kristin Bauer van Straten

Anytime you walk onto a stage or something where there's lots of people staring at you, you need to have something inspiring inside your head. Bolstering.

~Kristin Bauer van Straten

Africa is being raped mainly by Asia, but the second largest market for dead endangered animals is the US. Most don't know this is happening. I didn't, but once I found out, I had to try and help.
