I may not be perfect, but I'm trying.

~Kristin Davis

I also like men who like dogs. I couldn't date a man who doesn't like my dog.

~Kristin Davis

If I'm walking very, very fast down Madison Avenue in the middle of the day, I'll say I'm stopped 10 times.

~Kristin Davis

I like green or brown eyes. Tall but not overwhelmingly so. I like men who do yoga and meditate.

~Kristin Davis

I just loved being in the theatre with all those crazy, creative people.

~Kristin Davis

I've been dating since I was fifteen. I'm exhausted. Where is he?

~Kristin Davis

Where I come from, a lot of people didn't have money, but they didn't have gangs or drugs either.

~Kristin Davis

Sometimes, when you're acting, you are so in the moment that you don't even remember what just happened.

~Kristin Davis

Sometimes it would be nice to just have some red wine with dinner, but it's not worth the risk. I have a great life, a great situation. Why would I want to risk self-destructive behaviour?

~Kristin Davis

Everyone would talk about their diets and working out and what it made me do was go to craft services where all the food for the cast and crew was and I would eat.

~Kristin Davis

Our mothers' generation fought so hard to change things and we're the first generation to benefit. And now you get girls in their twenties who say they're not feminists.

~Kristin Davis

I was very poor and I was a waitress, and it's hard to be a poor waitress in New York.

~Kristin Davis

As an actress, there's nothing worse than not knowing your cues.

~Kristin Davis

Dogs are very, very pleasant with people that they're connected to.

~Kristin Davis

It's nice to be with someone, but I don't think you need to be in a relationship to feel complete. That would be really sad.

~Kristin Davis

I think fashion can have a very negative impact on young people who feel they have to be thin. I am not part of that trend. There is so much pressure on teenage girls.

~Kristin Davis

I'm just happy when people want me to work for them.

~Kristin Davis

I'm having a great career, though I think I'm not as good as your little scenario makes me out to be.

~Kristin Davis

I probably believe in God in a non-denominational way.

~Kristin Davis

I do a lot of comedy and I like that. I am happy doing funny films. I am often the straight person in a comedy, which is great as long as there are talented people to work with.

~Kristin Davis

You create a little world when you are making a film and you have to feel that you would want to be a part of that world. I sometimes look at the scripts I get and think 'what are they thinking?'

~Kristin Davis

Holidays do bring out the craziness in everyone. This time of year tends to bring out the insanity in otherwise normal people.

~Kristin Davis

It is very hard because there are not a lot of female driven scripts.

~Kristin Davis

I think that when you are famous, it can work against you, people have preconceptions about your image.

~Kristin Davis

I'd wanted to be an actress my whole life, that was my goal, that was all I cared about.

~Kristin Davis

I love animals and I love to see movies with animals that are done respectfully, you know?

~Kristin Davis

I'm an actress who likes a strong, communicative director.

~Kristin Davis

Never, never did I think I would be in a Disney movie.

~Kristin Davis

I use Ahava skincare, which is natural line from Israel and is made from minerals from the Dead Sea. I have the most sensitive skin.

~Kristin Davis

I'm 12 years sober, so I don't have beer! When I used to drink I really liked Bass Ale!

~Kristin Davis

I always read the script, try to imagine myself in the role, then decide whether I have anything to give to the part. If you don't feel like that in the beginning, it is not going to go well.

~Kristin Davis

If I was going to do anything, I'd be a producer, only because I'd like to have a say in what gets made and what doesn't.

~Kristin Davis

I would never describe Charlotte as a prude. Maybe at the start, but that was in comparison to the other girls. She wasn't willing to do the stuff they were doing and I mean, thank goodness!

~Kristin Davis

I'm not about to go out and buy a snake for a pet. I mean, I may have faced a few fears but I'm not insane.

~Kristin Davis

But you know, our show is our show, and it's not for everybody.

~Kristin Davis

Sometimes you just get burnt out with fashion.

~Kristin Davis

I drank a lot when I was a teenager and I don't drink any more, because that's when I thought, you know, I'm gonna end up a car wreck.

~Kristin Davis

There's such a history, and to be here, and to feel that, is really amazing.
