I use a lot of humor in my writing. But it's completely black humor.

~Kurt Vile

I've been known to just pass out instantaneously, like, anywhere.

~Kurt Vile

People do get mad at me for falling asleep sometimes, and it's the most frustrating thing. I can't help it.

~Kurt Vile

I've never gotten in too much trouble with alcohol. I've never had a drinking problem, really.

~Kurt Vile

A lot of getting a song done is booking the studio time. I'm the kind of person who will set time aside to do something and then do everything but that thing.

~Kurt Vile

I've always been a deep sleeper; because I come from such a large family - there are 10 kids - I could sleep through anything.

~Kurt Vile

I was used to hanging out late after playing a gig - you mix adrenaline with alcohol and you can stay up all night.
