Conversation doesn't have to lead to consensus about anything especially not values; it's enough that it helps people get used to one another

~Kwame Anthony Appiah

In life, the challenge is not so much to figure out how best to play the game; the challenge is to figure out what game you're playing

~Kwame Anthony Appiah

A value is like a fax machine: it's not much use if you're the only one who has one.

~Kwame Anthony Appiah

If someone hates you, they won't ask you for things.
