My workout is my meditation.

~Kyle MacLachlan

The Monmouth Coffee Shop is the best place in London

~Kyle MacLachlan

I always think of the Pacific Northwest as giant trees, and rain, and clouds and dampness, like the Native American art from that area.

~Kyle MacLachlan

To quote Agent Cooper, 'I have no idea where this will lead us, but I have a definite feeling it will be a place both wonderful and strange.'

~Kyle MacLachlan

Actors have an unusual perspective on clothing. You've really got to know the impact of what you're wearing on the character you're playing

~Kyle MacLachlan

For the time it takes to make the film, you are treated like a cosseted pet. Then the process is over, and you're hung out to dry. It's like being a mink.

~Kyle MacLachlan

Hollywood is not good when it comes to age

~Kyle MacLachlan

I really fight for my privacy.

~Kyle MacLachlan

I'd like to do more Shakespeare. I'd like to do Iago in Othello. I look so benign. It would be interesting to see that black evil come out of my soul

~Kyle MacLachlan

I get very caught up with things. I used to be dominated by domestic things. I had a lovely house in LA-and it became this growing, mad obsession

~Kyle MacLachlan

The nice thing about New York is that you're finally able to wear those winter clothes that have been sitting in your closet in mothballs

~Kyle MacLachlan

The difference with doing a play is that you are in control. In film you are in the hands of the director and the editor and the producer

~Kyle MacLachlan

I can move around the floor, but I don't know if I'd call that dancing!

~Kyle MacLachlan

1974 meant big cuffs, bell-bottoms, platform shoes with two-tone colors, and body-conscious shirts.

~Kyle MacLachlan

I don't really think of myself as quirky; I have sort of an unusual sense of humor.

~Kyle MacLachlan

Doing a film, or being sent scripts to look at a certain character, it's very odd for me. I tend to take it very personally.

~Kyle MacLachlan

Helmut Lang does a lot of very military-influenced things. You have to find the designer that suits your body the best, and he works for me.

~Kyle MacLachlan

I questioned everything. I didn't see a character developed in Platoon at all. The character in Blue Velvet was much more fascinating to me

~Kyle MacLachlan

Hamlet is a little daunting.

~Kyle MacLachlan

I can't help but feel that stuff that comes to me by chance or on purpose, whatever, tends to reflect where I am as a human being.

~Kyle MacLachlan

I already felt disengaged with my contemporaries.

~Kyle MacLachlan

I've done Graham Norton's show three times now. He tackles taboos and subject matter that wouldn't make it past the censors in the States

~Kyle MacLachlan

The film world is a crazy place to be. You sit around all day waiting for the phone to ring. Are people talking about you or aren't they?

~Kyle MacLachlan

I always liked the Raiders of the Lost Ark. I still want to be Indiana Jones.

~Kyle MacLachlan

I don't think the women in the TV series are really like that. It's certainly not my personal experience of New York women.

~Kyle MacLachlan

I do hang on to things. I was so happy my father saved his army jacket. I grew up wearing that all through high school.

~Kyle MacLachlan

I can't get a job, I can't get arrested.

~Kyle MacLachlan

As an actor, you're always in situations that can be compromising. But you can wipe away that gray area by making a choice.

~Kyle MacLachlan

Apparently, when *Twin Peaks* was on the air in Spain, something like 50 percent of televisions were tuned to it.

~Kyle MacLachlan

I garden a lot in LA, so fashion consists of boots, work pants and T-shirts, unless I'm going out.
