Judicial abuse occurs when judges substitute their own political views for the law.

~Lamar S. Smith

The Constitution provides for freedom of religion, not freedom from religion.

~Lamar S. Smith

Conservation of energy also protects our environment.

~Lamar S. Smith

The greatest threat to America is not necessarily a recession or even another terrorist attack. The greatest threat to America is a liberal media bias.

~Lamar S. Smith

A mouse can be just as dangerous as a bullet or a bomb.

~Lamar S. Smith

I can't come up with any good reason why they [the INS] would unilaterally disarm.

~Lamar S. Smith

The more energy-efficient we become as a nation, the less we need to develop additional energy sources.

~Lamar S. Smith

Nearly every study shows that competition from cheap foreign labor undercuts the wages of American workers and legal immigrants.

~Lamar S. Smith

Electricity is derived from many non-renewable energy sources like oil, natural gas and coal.

~Lamar S. Smith

What they are doing is disarming in the battle to stop illegal drugs and illegal aliens.

~Lamar S. Smith

The Supreme Court is not elected, and it is therefore not a proper arbiter of social policy.

~Lamar S. Smith

I support basic research, which can lead to discoveries that change our world, expand our horizons and save lives.

~Lamar S. Smith

The INS, by their actions, is telling would-be illegal aliens that if you don't get caught entering the U.S., we'll look the other way so you can stay.

~Lamar S. Smith

It would cost Americans their jobs when they have to compete with millions of more [immigrants] for scarce jobs.

~Lamar S. Smith

Judges should interpret the law, not make it.
