I love horror, I love scary movies, I love thrillers. If things creep you out and spook you? I love it.

~Lana Parrilla

There's always going to be someone who is prettier than you, better than you in some way, but everyone has that something that makes them different.

~Lana Parrilla

Follow your heart because it always knows.

~Lana Parrilla

Children do run from me. And so do some adults.

~Lana Parrilla

I have a lot of LGBT friends and family members and I've always supported the community, not only as a child but as an adult, and I think it's important to voice that.

~Lana Parrilla

I'm not one to take revenge. If someone does something wrong to me I leave it in the hands of the universe to take care of that person.

~Lana Parrilla

To be vulnerable, to be raw, to virtually expose your guts, I like doing that.

~Lana Parrilla

I am very, very diligent and extremely hard-working.

~Lana Parrilla

I played lots of fantasy games. I would create these worlds, and I would believe in them.

~Lana Parrilla

I like being scared, so I've always liked fairy tales because they're kind of creepy.

~Lana Parrilla

I used to be more of a sporty girl. I love outdoor activities. I haven't been doing much since living in Vancouver. I have my routines down in L.A.

~Lana Parrilla

I do watch 'Revenge,' 'American Horror Story' and 'Game of Thrones.' I am behind on all of them. But I do watch them. Those are my go-to shows.

~Lana Parrilla

My boyfriend says I dress like a rock star but I would say my style is hip and comfortable.

~Lana Parrilla

When I look back on my career, I go, 'This is really great, I've played so many different women.'

~Lana Parrilla

When the script for 'Once' came my way, I had the thought that maybe it will last only a season. But I was willing to take that risk.

~Lana Parrilla

I loved 'White Christmas' for the music aspect. I was into musical theater.
