The nature will continue, it's our existence that is finite and you are given this gift of life and you make your way with it, but fate and natural disasters will continue on.

~Larry Fessenden

Sound and sound design has always been very important to my approach to film, because it is a more subversive and allusive aspect of the medium.

~Larry Fessenden

Digging up graves is backbreaking work. So I just like that the genre of horror can embrace so many different styles and textures.

~Larry Fessenden

I went to good schools, and I've just always had an allergic reaction to snobbishness - always found myself preferring to blend into the woodwork. I have an affinity to those who, in a sense, failed.

~Larry Fessenden

We all seek comfort, and I don't pretend to want to live in squalor.

~Larry Fessenden

There are scripts that have come our way that are much more likely to be hits, but we don't really think that way.

~Larry Fessenden

The whole film business was built on immigrants: Billy Wilder and Michael Curtiz and all these hefty lads.

~Larry Fessenden

The worst thing that could happen to a filmmaker is growing up wanting to be a filmmaker.

~Larry Fessenden

I feel very strongly that a film isn't just a story, but the WAY that a story is told. It's why I am such a great fan of Hitchcock because it really is all in the filmmaking.
