Freedom of speech doesn't protect speech you like; it protects speech you don't like.

~Larry Flynt

No one understands that the First Amendment is only important if you are going to offend somebody. If you're not going to offend somebody, you don't need protection of the First Amendment.

~Larry Flynt

If Kim Jong Un and his henchmen were upset before, wait till they see the movie we're going to make.

~Larry Flynt

Majority rule only works if you're also considering individual rights. Because you can't have five wolves and one sheep voting on what to have for supper.

~Larry Flynt

You have to be able to tolerate what you don't necessarily like so you can be free.

~Larry Flynt

Murder is illegal, but if you take a picture of it you may get your name in a magazine or maybe win a Pulitzer Prize. However, sex is legal, but if you take a picture of that act, you can go to jail.

~Larry Flynt

There's nothing that will change someone's moral outlook quicker than cash in large sums.

~Larry Flynt

And a democracy can't exist without free speech and the right to assemble. And that's what Americans tend to forget. And they're born into a culture where they take all of their freedoms for granted.

~Larry Flynt

The two most misused words in the entire English vocabulary are love and friendship. A true friend would die for you, so when you start trying to count them on one hand, you don't need any fingers.

~Larry Flynt

You can't have five wolves and one sheep voting on what to have for dinner.

~Larry Flynt

The only question to ask yourself is, how much are you willing to sacrifice to achieve this success?

~Larry Flynt

Within three or four months, the average girl will just get used up. It just takes your soul, you know? It just takes your soul.

~Larry Flynt

My position has always been that there's two types of people opposed to pornography: those who don't know what they're talking about, and those who don't know what they're missing.

~Larry Flynt

Religion has caused more harm than any other idea since the beginning of time. There's nothing good I can say about it. People use it as a crutch.

~Larry Flynt

Well, one thing, you got to stand in a courtroom and listen to a judge sentencing you to 25 years in prison before you realize that freedom of expression can no longer be taken for granted.

~Larry Flynt

I've always felt that feminism was just an excuse for ugly women to march.

~Larry Flynt

You know, everybody believes in free speech until you start questioning them about it.

~Larry Flynt

If the human body's obscene, complain to the manufacturer, not me.

~Larry Flynt

There's nothing more political than sex. The church has had its hand on our crotch for more than 2,000 years, and the government is moving in that direction.

~Larry Flynt

The right-wing of the Republican party isn't so much a political agenda as a plea for help.

~Larry Flynt

Any time there's a scandal, we always try and get involved.

~Larry Flynt

You know, a huge drain on California's economy is the illegal immigrants. We need to close the borders.

~Larry Flynt

Along with a strong belief in your own inner voice, you also need laser-like focus combined with unwavering determination.

~Larry Flynt

These days... it's all vanilla sex for me.

~Larry Flynt

Women are here to serve men. Look at them, they got to squat to piss. Hell, that proves it.

~Larry Flynt

If you're not going to offend somebody you don't need the First Amendment.

~Larry Flynt

Just because I publish pornography does not mean that I am not concerned about the social ills that all of us are

~Larry Flynt

I may be paralyzed from the waist down, but unlike Gray Davis, I'm not paralyzed from the neck up.

~Larry Flynt

Politics is my hobby. Smut is my vocation.

~Larry Flynt

I used to buy into a former Supreme Court justice's argument that you can't scream fire in a crowded theater. Well, I think you can.

~Larry Flynt

Moses freed the Jews. Lincoln freed the slaves. I freed the neurotics.

~Larry Flynt

In 1973, the Supreme Court ruled that individual communities should set obscenity standards. Whenever a case is tried, it will be based on a community standard for that particular place.

~Larry Flynt

People aren't interested in others controlling what they can do or read or see in the privacy of their own homes.

~Larry Flynt

Those who would give up their civil liberties for security deserve neither.

~Larry Flynt

I don't think many people anticipated how the Internet was going to revolutionize the way we disseminate information.

~Larry Flynt

Privacy is not explicitly spelled out in the Constitution as freedom of speech is in the First Amendment.
